VEC conference

TetraTech

What existing activities/initiatives are underway that RACC needs to be aligned with?

Basin Program activities

TDML

Other

Relevant stakeholders that need to be included

Existing datasets / studies survey - Complete database survey forms for as many datasets/sources as you can think of—hand in before leaving

Other open discussion

2:45 pm Next steps

3:00 pm Adjourn

Our intended outcomes from this meeting include:

- *Update the group on current developments/plans*
- *Identify key stakeholders to include in the process*
- *Align this project with ongoing or emerging initiatives*
- *Identify existing datasets, models, etc. and begin to develop a "database of databases."*
- *Begin to envision the components of the different scenario lines*
