

RSENR Study Abroad Flowchart

Step 1: Gather information

- **Ask your advisor or meet with the RSENR Study Abroad Coordinator** to review programs and choose the best semester to study abroad. Review and adjust your degree planning worksheet or academic plan.
- **Explore programs** through RSENR Study Abroad and OIE resources for specific programs (e.g. [GoAbroad](#) program search tools).

- **Decide on a program** and associated courses you want to take.
- **[Fill out the RSENR Study Abroad Academic Planning Form](#)** including course information.
- **[Submit your Form](#)** online for review.

You should hear back within 3 weeks to see how your chosen program courses will fulfill various degree requirements. Keep this signed form as a record for degree audit updates when you return.

Step 2: Submit Forms

- **Formally apply** to your chosen program through [GoAbroad](#)
- **Complete the GoAbroad checklist**

Step 3: Apply
