- Reviewed and incorporated components of RPC and Child Welfare Trauma Training Toolkit
- Collaborated with Trauma Informed Equity consultants to incorporate their feedback
- Completed, documented, and communicated all revisions regularly with Chadwick Center
- Finalized all curriculum materials including Parent Workbook with activities and resources, Facilitator Guide, and 10 PowerPoint slide decks with notes for each of the modules

Training Coordinator, Child Welfare Training Partnership, University of Vermont, Burlington, VT (September 2014-August 2015)

- Developed and delivered training curriculum for Family Services Division social workers,

Resource Coordinators, supervisors, and District Directors to enhance best practice within casework and policy implementation

- Trained set curriculum for Family Services Division staff, such as Professional Dangerousness and Substance Abuse Training Curriculum
- Provided technical assistance and support to district contract staff, enhancing best practice implementation of Family Safety Planning and Family Group Conferencing
- Collaborated with Family Services Division management staff and District Directors in design and delivery of sessions on strategic planning, visioning, operating agreement development, collaboration, and teamwork

Director of Treatment Services, Family Nurturing Center, Florence, Kentucky and Cincinnati, Ohio (2007-2014)

- Responsible for design and oversight of therapeutic programs serving children and families
- Managed \$1.75 million annual budget
- Created training program for the agency
- Developed curriculum and delivered training for all new hires in mandated trainings
- Strategically explored and identified new sources of revenue for expansion of treatment services
- Responsible for collecting, analyzing, and reporting data required by five different funders
- Ensured that high-quality services were provided in accordance with grant/funder requirements
- Developed group curriculum for adult survivors of child sexual abuse and holistic therapeutic group curriculum for child sexual abuse victims and non-offending family members
- Agency liaison with contract foster care agencies, Cabinet for Health and Family Services (Kentucky) and Hamilton County Jobs and Family Services (Ohio)
- Provided regional leadership and training for foster care parents, foster care agencies, local mental health clinic staff, and child protective services workers (both investigative and ongoing)
- Promoted awareness and education regarding child abuse through training and speaking engagements in the community and on local cable access shows
- Provided clinical supervision to staff working towards clinical licensure in addition to administrative supervision to program coordinators within the treatment division
- Maintained a small caseload of individual and family therapy clients
- Developed a trauma screening tool for use with all agency clients

Licensed Clinical Social Worker, Michael G. McIntosh M.D. & Associates, Fort Wright, Kentucky (2005-2008)

- Conducted therapeutic and diagnostic assessments of child and adult clients
- Completed treatment plans and documentation for all sessions conducted with a full caseload of clients.
- Maintained licensure, credentialing, and all additional paperwork necessary to remain an active provider on multiple health insurance panels
- Facilitated treatment team meetings with collaborative partners, including foster parents, foster care workers, child protective service workers, and teachers
- Empowered clients and support needs through access to needed resources and skill-building
- Provided evidence based individual, sibling and family therapy sessions

LifeSkills Social Worker, Kenton County School District, Fort Wright, Kentucky (2006-2007)

- Designed and Implemented grant targeting substance use among at-risk middle school students
- Designed and facilitated LifeSkills curriculum focused on at-risk students in two Northern Kentucky middle schools
- Managed grant budget, completed reports, documentation and communicated regularly with funder

Facilitator, Family Nurturing Center, Florence, Kentucky (2007)

- Developed twelve-week psycho education group curriculum for child sexual abuse victims
- Facilitated weekly therapeutic group for school age girls for three twelve-week cycles
- Completed all necessary documentation and participated in team processing
- Collected and maintained measurement and outcomes data as required by grant funders

Residential Therapist, Holly Hill Children's Services, California, Kentucky (2003-2005)

- Provided individual, group, and family therapy for adolescent females within a residential treatment facility
- Provided leadership, training, and clinical support for cottage child-care staff
- Facilitated trust-building and self-esteem initiatives for adolescent girls
- Implemented therapeutic trauma specific services with clients
- Provided coverage for on call pager one week monthly
- Responded to all crises occurring in cottage during shift
- Attended team meetings with child protective service workers; facilitated team meetings and school meetings when appropriate for clients
- Completed DAFs, biopsychosocial assessments, treatment plans and progress reports regularly for all clients.
- Participated in team meetings as well as monthly medication management meetings with psychiatrist on Site

Membership Director, Indiana Coalition Against Domestic Violence, Indianapolis, Indiana (2000-2003)

- Provided leadership and technical assistance to statewide membership of over 200
- Facilitated committees such as the Legislative Committee, Conference, Membership and Training committees
- Coordinated efforts across the state with residential and non-residential domestic violence service providers
- Coordinated three annual Fall conferences, with four focus tracks including law enforcement, advocates, nurses, social worker and legal staff for over 400 participants each year
- Managed all documentation and tracking of grant requirements from VAWA and VOCA federal funding
- Provided reports on outcomes, objectives and goals quarterly to funders
- Supervised statewide peer review process of all state funded domestic violence shelters
- Reviewed all grant proposals submitted statewide to the Family Social Service Administration for domestic violence services
