DIANNA “ANNIE” MURRAY-CLOSE, PH.D.

Department of Psychological Science
University of Vermont

CONTACT INFORMATION

210A John Dewey Hall
Department of Psychological Science
University of Vermont
Burlington, Vermont 05405
Office Phone: (802) 656-4142
Email: Dianna.Murray-Close@uvm.edu

EDUCATION

- 2001-2006 **Ph.D.**, Developmental Psychology, Institute of Child Development
University of Minnesota, Minneapolis, MN
Thesis: *Gender Differences in the Association between Autonomic Arousal and Aggressive Conduct*
Supporting program: Social Psychology and Statistics
Advisor: Dr. Nicki Crick
- 2005 **M.A.**, Developmental Psychology, Institute of Child Development
University of Minnesota, Minneapolis, MN
Thesis: *The Moral Status of Physical and Relational Aggression in Elementary School Children*
Advisor: Dr. Nicki Crick
- 1997-2001 **B.A.**, Psychology, Carleton College, Northfield, MN
Advisor: Dr. Kathie Galotti

PROFESSIONAL EXPERIENCE

- 2018-present **Professor**, Psychological Science, University of Vermont
2019-2021 **Interim Director**, Center for Teaching and Learning, University of Vermont
2015-2019 **Director**, General/Experimental Psychology Graduate Program, University of Vermont
2012-2018 **Associate Professor**, Psychological Science, University of Vermont
2012-2013 **Director**, Undergraduate Psychology Program, University of Vermont
2007-2012 **Assistant Professor**, Psychological Science, University of Vermont
2006–2007 **Visiting Assistant Professor**, Psychology, St. Olaf College
Spring, 2006 **Visiting Instructor**, Psychology, Macalester College

JOURNAL PUBLICATIONS

- Ostrov, J. M., **Murray-Close, D.**, Perry, K. J., Perhamus, G., Memba, G., Rice, D., & Nowalis, S. (in press). Parenting and the development of social-psychological adjustment problems among young children in the age of COVID-19: A test of Biological Sensitivity to Context Theory. *Journal of Child and Family Studies*.

FUNDED GRANTS

1 R01 HD105496-01A1

NIH/NICHHD

Title: The Early Childhood Friendship Project: Testing Key Mechanisms and the Moderating Role of Physiological Reactivity

Role: Co-I (Jamie M. Ostrov, PI)

9/22-9/27

Total Costs: \$3,213,080

BCS-1939393

National Science Foundation

Title: Peer Treatment across the Transition to Kindergarten: A test of Biological Sensitivity to Context Theory

Role: Co-PI (Jamie M. Ostrov, PI)

9/20-8/23

Total Costs: \$426,714

1 R01 HD095832-01A1

NIH/NICHHD

Title: Peer and Family Adversity, Neuroendocrine Regulation, and School Readiness across the Transition to Kindergarten

Role: PI (Multiple PI Project, Jamie M. Ostrov, PI)

4/19-3/24

Total Direct Costs: \$1,715,504

Funded Supplement to parent grant

3 R01 HD095832-03S1

NIH/NICHHD

Title: Masking and Child Development During COVID-19: A Supplement to the FRIENDS Project

1/22-1/23

Total Direct Costs: \$141,258

Research Grant, Child and Adolescent Psychology Training and Research, Inc.

Title: Peer Adversity, Sympathetic Nervous System Dysregulation, and School Readiness across the Transition to Kindergarten

Role: PI

11/19-11/22

Direct Costs: \$7,560

UVM College of Arts and Sciences Seed Grant

Title: Peer Adversity, Sympathetic Nervous System Dysregulation, and School Readiness across the Transition to Kindergarten

Role: PI

11/19-6/23

Direct Costs: \$12,500

National Science Foundation

Title: The Development of Forms and Functions of Aggression during Early Childhood

Role: Co-PI (Jamie M. Ostrov, PI)

2/15-1/19

Total Costs: \$550,000

National Institute on Drug Abuse

Title: Developmental Pathways of Violence and Substance Use in a High Risk Sample

Role: Consultant (R. Eiden & A. Nickerson, PIs)

3/15-2/20

Total Costs: \$3.4 million

Research Grant, The College of Arts and Sciences Faculty Research Support Awards

Title: Peer Victimization and Physiological Stress Reactivity: Implications for Physical Health in Males and Females

Role: PI

6/13-5/16

Direct Costs: \$9,661

Research Grant, Child and Adolescent Psychology Training and Research, Inc.

Title: The Impact of Parental Stress Physiology on Social Adjustment in Youth with ADHD

Role: Co-PI (Nicole Lafko, & Erin Shoulberg, Co-PIs)

12/12-11/13

Direct Costs: \$6,400

Research Grant, Child and Adolescent Psychology Training and Research, Inc.

Title: Popularity Goals, Popularity Norms, and Actual Popularity: Associations with Trajectories of Academic Adjustment across Early Adolescence

Role: Co-PI (Erin Shoulberg, PI)

4/10-9/13

Direct Costs: \$6,400

National Science Foundation

Title: Autonomic Nervous System Activity and Relational Aggression
Role: Co-PI (Nicki R. Crick, Co-PI)
9/08-8/12
Total Costs: \$599,968

Research Grant, Child and Adolescent Psychology Training and Research, Inc.
Title: Autonomic Reactivity to Relational Provocation and Aggression
Role: PI
11/07-10/09
Direct Costs: \$6,285

Travel Grant, McNeil Prevention and Intervention Award
Title: Third Research Conference on Relational Aggression
Role: PI
3/08
Direct Costs: \$1,000

Institute of Child Development Small Grants Award
Title: Aggression, Physiology, and Emotion
Role: PI
10/04-9/05
Direct Costs: \$500

HONORS AND AWARDS

University of Vermont Kroepsch-Maurice Excellence in Teaching Award, 2019
University of Vermont Alumni Association George V. Kidder Outstanding Faculty Award, 2018
University of Vermont College and Arts and Science Dean's Lecture Award, 2016
NIMH Predoctoral Trainee, 2004 – 2006
Phi Kappa Phi, University of Minnesota, 2003
Eva O. Miller Fellowship, 2002-2003
Graduate Fellowship, University of Minnesota, 2001-2002
Minnesota Patterson Award in Psychology Nominee, 2001
Distinction in the Psychology Major, Carleton College, 2001
Distinction on Senior Comprehensive Project, Carleton College, 2001
Phi Beta Kappa, Carleton College, 2001
Sigma Xi, Carleton College, 2001
Magna cum Laude, Carleton College, 2001
UROP Research Experiences for Undergraduates Fellow, University of Minnesota, 2000
Dean's List, Carleton College, 1997-2001

CONFERENCE PRESENTATIONS

Invited Keynote Address

Psychophysiology of Peer Relationships (2012). Invited Keynote Address to the Peer Preconference at the Society for Research on Adolescence, Vancouver, Canada.

Chaired Symposiums.

The interactive role of sympathetic and parasympathetic nervous system activity in adolescent adjustment and behavior (2018). Symposium presentation at the Society for Research on Adolescence, Minneapolis, MN.

Autonomic reactivity to stress and forms and functions of aggression: Moderating factors across development (2013). Symposium presentation at the Society for Research in Child Development, Seattle, WA.

Relational aggression and school adjustment: Developmental processes and moderating factors (2011). Symposium presentation at the Society for Research in Child Development, Montreal, Canada.

Paper Presentations

Murray-Close, D., Lent, M. C., Sadri, A., Buck, C., & Yates, T. M. (2022). *Autonomic Nervous System Reactivity to Emotion and Childhood Trajectories of Relational Aggression*. Paper presented at the 8th Research Conference on Relational Aggression, Rochester, NY.

Lent, M. C. & **Murray-Close, D.** (2022). *Negative Parenting and Functions of Relational Aggression: The Moderating Role of Physiological Reactivity*. Paper presented at the International Society for Research on Aggression (ISRA) World Meeting, Ottawa, Canada.

Perhamus, G. R., **Murray-Close, D.**, & Ostrov, J. M. (2022). Pure and co-occurring relational bullying and victimization: Roles of stress reactivity and hostile attribution biases in early childhood. Paper presented at the International Society for Research on Aggression (ISRA) World Meeting, Ottawa, Canada.

Perry, K. J., Perhamus, G. R., Memba, G., Ostrov, J. M., & **Murray-Close, D.** (2022). A two-factor model of externalizing behavior in early childhood: A test of competing models and the role of temperament. Paper presented at the International Society for Research on Aggression (ISRA) World Meeting, Ottawa, Canada.

Perry, K. J., Ostrov, J. M., & **Murray-Close, D.** (2022). Measurement of aggressive behavior in early childhood: A critical analysis using five informants. Paper presented at the International Society for Research on Aggression (ISRA) World Meeting, Ottawa, Canada.

Murray-Close, D., Breslend, N. L., & Sullivan, A. D. (2018). Does relational victimization "get

- under the skin"? Associations between relational victimization and autonomic stress system reactivity. Paper presented at the Relational Aggression Conference, Philadelphia, PA.
- Ostrov, J., **Murray-Close, D.**, Blakely-McClure, S. J., Perry, K. J., Mutignani, L., Probstm S., Kesselring, S. A., & Breslend, N. L. (2018). The development of forms and functions of aggression: Preliminary findings from the PEERS project. Paper presented at the Relational Aggression Conference, Philadelphia, PA.
- Murray-Close, D.**, Breslend, N., & Sullivan, A. (2018). Physiological stress system interactions distinguish shyness from unsociability in preadolescents. Paper presented at the Society for Research on Adolescence Conference, Minneapolis, MN.
- Murray-Close, D.**, Breslend, N., & Sullivan, A. (2018). Relational victimization across contexts predicts disordered eating: Moderation by physiological stress reactivity and gender. Paper presented at the Society for Research on Adolescence Conference, Minneapolis, MN.
- Holterman, L. A., & **Murray-Close, D.** (2017). Relational victimization and depressive symptoms: The role of autonomic nervous system reactivity in emerging adults. Paper presented at the Society for Research in Child Development, Austin, TX.
- Murray-Close, D.** (2016). Stress physiology and functions of relational aggression. Paper presented at the Relational Aggression Conference, Washington, DC.
- Murray-Close, D.** (2013). Psychophysiological processes in the development of relational aggression. Paper presented at the Society for Research in Child Development, Seattle, WA.
- Murray-Close, D.**, Crick, N., Tseng, W-L., Lafko, N., Burrows, C., & Pitula, C. (2013). Autonomic reactivity to stress and physical and relational aggression: The moderating roles of victimization, type of task, and child gender. Paper presented at the Society for Research in Child Development, Seattle, WA.
- Lafko, N., Shoulberg, E. K., & **Murray-Close, D.** (2013). Physiological reactivity predicting relational aggression: The moderating roles of gender and functions of aggression. Paper presented at the Society for Research in Child Development, Seattle, WA.
- Pitula, C., **Murray-Close, D.**, Tseng, W-L., Banny, A. M., & Crick, N. (2013). Longitudinal associations between hostile attribution bias and peer victimization: The moderating roles of autonomic reactivity to stress and gender. Paper presented at the Society for Research in Child Development, Seattle, WA.
- Shoulberg, E. K., Lafko, N., Wagner, C., & **Murray-Close, D.** (2013). Associations among

relational victimization, hostile attribution bias, and conflict resolution skills: The moderating role of physiological reactivity to social stress. Paper presented at the Society for Research in Child Development, Seattle, WA.

Shoulberg, E. K., Luckner, A., **Murray-Close, D.**, Cullerton-Sen, C., & Crick, N. R. (2011). A longitudinal study of gender differences in the associations between forms of aggression and academic effort in middle childhood. Paper presentation at the Society for Research in Child Development, Montreal, Canada.

Ostrov, J. M., **Murray-Close, D.**, Godleski, S. A., & Hart, E. J. (2011). Forms and functions of aggression and adjustment in early childhood: A short-term longitudinal study. Paper presentation at the Society for Research in Child Development, Montreal, Canada.

Murray-Close, D., & Rellini, A. H. (2010). Blunted physiological reactivity predicts relational aggression in women with a history of sexual abuse. Paper presentation at the Society for Research on Adolescence, Philadelphia, PA.

Murray-Close, D. (2009). Autonomic reactivity to exclusion and relational aggression. Paper presentation at the Society for Research in Child Development, Denver, Colorado.

Murray-Close, D., Han, G., Cicchetti, D., Crick, N. R., & Rogosch, F. A. (2008). Neuroendocrine regulation and physical and relational aggression: The moderating role of child maltreatment. Paper presentation at the Society for Research on Adolescence, Chicago, IL.

Cullerton-Sen, C., Luckner, A., **Murray-Close, D.**, & Crick, N. R. (2008). Relational and physical aggression predict school disengagement: A process-oriented approach. Paper presentation at the National Association of School Psychologists, New Orleans, LA.

Crick, N. R., & **Murray-Close, D.** (2006). Relational aggression: Boys will be boys, but what about girls? Paper presentation given at the Symposium on Ostracism, Belonging, and Social Conflict, International Society for Research on Aggression, Minneapolis, MN.

Crick, N. R., **Murray-Close, D.**, & Woods, K. (2004). The role of hostile intent attribution, peer victimization, and gender in predicting future physical and relational aggression. Paper presentation at the Society for Research on Adolescence, Baltimore, MD.

Poster Presentations

Rice, D. R., Nowalis, S., Perry, K. J., **Murray-Close, D.**, & Ostrov, J. M. Executive functioning and functions of relational aggression in early childhood. Poster to be presented at the International Society for Research on Aggression (ISRA) World Meeting, Ottawa, Canada (postponed until 2022).

- Young, E., Lent, M. C., Sullivan, A., & **Murray-Close, D.** (2020, March). *Is your child even listening to you? Relationship between socialization and coping behavior, moderated by physiological reactivity.* Poster presented at the 125th Anniversary Meeting of Eastern Psychological Association, held virtually due to COVID-19.
- Lent, M. C. & Murray-Close, D. (2021). *Does Emotional Overarousal Interrupt Social Information Processing? A New Look at an Old Model.* Poster to be presented at the 2021 Virtual Biennial Meeting for the Society for Research on Child Development.
- Sullivan, A., **Murray-Close, D.**, & Schermerhorn, A. (2018). Emotion recognition biases in relationally and physically victimized children: The moderating role of gender. Poster presented at the Society for Research on Adolescence Conference, Minneapolis, MN.
- Webb, R., Sullivan, A., & **Murray-Close, D.** (2018). Relational victimization and rejection sensitivity: The moderating role of friendship quality. Poster presented at the Society for Research on Adolescence Conference, Minneapolis, MN.
- Mutignani, L., Ostrov, J. M., & **Murray-Close, D.** (2017). Physiological reactivity and prosocial behavior during early childhood. Poster presented at the Society for Research in Child Development, Austin, TX.
- Kurmin, M., Lafko, N., & **Murray-Close, D.** (2015). Academic importance predicting heart rate reactivity to academic situations: The moderating role of hostile attribution biases. Poster presented at the Society for Research in Child Development, Philadelphia, PA.

Lutsky, N., & **Murray-Close, D.** (2001). Dispositional happiness predicts predicted helping. Poster presentation at the American Psychological Society Annual Convention, Toronto, Ontario.

Murray-Close, D. (2001). Perceptions of parents' beliefs about aggression and physically and relationally aggressive behavior in children. Poster presentation at the Society for Research in Child Development, Minneapolis, MN.

PROFESSIONAL ACTIVITIES

Review Experience

- National Institutes of Health: Scientific Review Group - NIH Behavioral Neuroscience panel (F02A) NRSA (2022)
- Ad-hoc reviewer for National Science Foundation's Developmental and Learning Sciences (DLS) program (2018)
- Ad-hoc reviewer for National Science Foundation's Developmental and Learning Sciences (DLS) Program, Faculty Early Career Development Award (2016)
- Invited Guest Editor (2014): *Development and Psychopathology*, 26, special issue dedicated to the legacy of Dr. Nicki Crick.
- Editorial Board: *Development and Psychopathology* (2011-present); *Developmental Psychology* (2016-present); *Child Development* (2009-2017); *Journal of Research on Adolescence* (2012-2015)
- Ad-hoc Journal Reviewer: *Aggressive Behavior*, *American Journal of Media Psychology*, *Annals of Behavioral Medicine*, *Biological Psychology*, *Cognitive Therapy & Research*, *International Journal of Behavioral Development*, *Journal of Abnormal Child Psychology*, *Journal of Abnormal Psychology*, *Journal of Adolescence*, *Journal of Applied Developmental Psychology*, *Journal of Child Psychology and Psychiatry*; *Journal of Clinical Child & Adolescent Psychology*, *Journal of Consulting and Clinical Psychology*, *Journal of Experimental Child Psychology*, *Journal of Pediatric Psychology*, *Merrill-Palmer Quarterly*, *Psychological Bulletin*, *Psychological Science*, *Psychoneuroendocrinology*, *Psychopathology and Behavioral Assessment*, *School Psychology Review*, *Social Development*
- Reviewer for 2018 SRA poster and symposium proposals, Panel 15 (Peer Relations)
- Reviewer for 2013 SRCD poster and symposium proposals, Panel 23 (Childhood Relationships: Friends and Peer-Group Functioning)
- Reviewer for 2011 SRCD poster and symposium proposals, Panel 23 (Childhood Relationships: Peer-Group Functioning)
- Reviewer for 2009 SRCD poster and symposium proposals, Panel 20 (Childhood Relationships: Friends, Siblings, Dyadic Processes)
- Ad-hoc Reviewer: 2007 SRCD poster and symposium proposals
- Internal Grant Reviewer: *Sam Houston State University*

Professional Society Memberships

- American Psychological Association (APA)
 - Division 2: Teaching of Psychology
- Association for Psychological Science (APS)
 - Teaching of Psychology
- Society for Research in Child Development (SRCD)
- Society for Research on Adolescence (SRA)

Professional Training

- Center for Research on Families Methodology Program, UMass-Amherst, *Stress Biomarkers: Why, What, Where, and How*, Summer, 2019

- Center for Teaching and Learning Faculty Discussion Group, Z. Nicollazo's *Trans* in College: Transgender Students' Strategies for Navigating Campus Life and the Institutional Politics of Inclusion*, Spring, 2019
- Center for Teaching and Learning Faculty Discussion Group, James L. Lang's *Small Teaching*, Fall, 2017
- Writing in the Disciplines Institute, Spring, 2011
- Trained on CardioEdit for manual editing of interbeat interval data to assess respiratory sinus arrhythmia, Chicago, IL, Fall, 2009
- Trained on administration of the Social Competence Interview, Syracuse, NY, Summer, 2004
- Attended Summer Institute
 - Structural Equation Modeling: Foundations and Extended Applications, Lawrence, Kansas, Summer, 2004
 - Advanced Topics in Structural Equation Modeling, Minneapolis, MN, Summer, 2005
- Preparing Future Faculty Certificate, University of Minnesota, 2005

DEPARTMENT, COLLEGE, AND UNIVERSITY SERVICE ACTIVITIES

- Interim Director, Center for Teaching and Learning, (2019-2021)
- Department Chair Review Committee (2020)
- President, Child and Adolescent Psychology Training and Research, Inc. (2018-present)
- Member, General Education Ad-Hoc Committee: Social Sciences (2020)
- Member, Library Advisory Committee (2019-present)
- Member, UVM Educational Stewardship Committee (2019-2021)
- Member, Learning Management System Review Committee (2019-2021)
- Member, HHMI Inclusive Excellence Task Force (Fall, 2019)
- Member, Writing and Information Literacy General Education Task Force (Fall, 2019)
- College of Arts and Sciences Core Curriculum Committee, 2018-2019
- Director, General/Experimental Psychology Graduate Program, 2015-2019
- UVM Center for Teaching and Learning STEM Faculty Associate, 2017-2019
- Member, Budget and Personnel Committee, Psychological Science, 2012-2013; 2015-2019
- Chair, Graduate Teaching Committee, Psychological Science, 2017-2018
- Member of the Child and Adolescent Psychology Training and Research, Inc. Review Committee for grant applications, 2012-2018
- Chair, Graduate Teaching Task Force, Psychological Science, 2016-2017
- Cluster Speaker Coordinator, 2015
- Reviewer for the UVM REACH Grant Submissions, 2013
- Coordinator of Undergraduate Peer Advising Program, 2013-2014
- Director, Undergraduate Psychology Program, 2012-2013
- Chair, Undergraduate Curriculum Committee, Psychology Department, University of Vermont, 2012-2013
- Developmental Search Committee Chair, 2011-2012
- Faculty Senate, University of Vermont, 2008-2013
- UVM Dean of the Medical School Comprehensive Review Committee, 2010-2011

- Undergraduate Curriculum Committee, Psychology Department, University of Vermont, 2009-2011
- Undergraduate Core Course Steering Committee, Psychology Department, University of Vermont, 2009-2010
- General/Experimental Prospective Graduate Student Visit Day Coordinator, Department of Psychology, University of Vermont, 2008-2011
- Visiting Developmental/Social Search Committee Member, 2010
- Developmental Search Committee Member, 2009-2010
- Website Committee, Department of Psychology, University of Vermont, 2007-2009
- McNeil Prevention and Intervention Speaker Visit Coordinator, Department of Psychology, spring, 2008
- Grievance Committee, Institute of Child Development, University of Minnesota, 2003-2006
- Small Grants Committee, Institute of Child Development, University of Minnesota, 2002-2003, 2005-2006
- Flo Library Committee, Institute of Child Development, University of Minnesota, 2001-2003
- Carleton College Psychology Department, Student Departmental Advisor, 2000-2001

TEACHING EXPERIENCE

Graduate

- **Teaching of Psychology**
- **Cross-Cultural Clinical Intervention and Research**
- **History of Psychology**
- **Social Development**
- **Developmental Proseminar**
- **Gender**

Undergraduate

- **Psychology of Gender**
- **Developmental Psychology**
- **Research Methods**
- **Children and Technology**
- **Social and Personality Development**
- **Development and Interpersonal Relationships**

SUPERVISION EXPERIENCE

Mentored Grants, Awards, and Fellowships

Undergraduate Student Awards

- Student: Emily Young (Summer, 2019)
 - UVM Summer Undergraduate Research Fellowships
 - Fellowship: \$4000
 - Title: *Is Your Child Even Listening to You?: Relationship between Socialization of Coping and Coping Behavior, Moderated by Stress Reactivity*

- Role: Project Advisor
- Student: Emily Kunsman (Summer, 2018)
 - Psychological Science Seelig Fellowship
 - Scholarship: \$3000 plus \$500 research costs
 - Title: *Rejection Sensitivity and Problem Eating Behaviors: The Moderating Effects of Emotion Dysregulation*
 - Role: Project Advisor
- Student: Rebecca Wittlin (Summer, 2018)
 - Psychological Science Seelig Fellowship
 - Scholarship: \$3000 plus \$500 research costs
 - Title: *Perceptions of Peer Eating and Disordered Eating Behaviors*
 - Role: Project Advisor
- Student: Rachel Webb (Summer, 2017)
 - Psychological Science Seelig Fellowship
 - Scholarship: \$3000 plus \$500 research costs
 - Title: *Friendship Quality in Relationally and Physically Victimized Children: The Mediating Effects of Rejection Sensitivity*
 - Role: Project Advisor
- Student: Anne Mientka (Summer, 2014)
 - UVM Summer Research Intern Award
 - Scholarship: \$3,500 plus \$1,500 research costs
 - Title: *Victimization predicting aggression: Does the association depend on socialization of coping and adolescent gender?*
 - Role: Project Advisor
- Student: Alexandra Sullivan (Summer, 2013)
 - UVM Summer Research Intern Award
 - Scholarship: \$3,500 plus \$1,500 research costs
 - Title: *It's Not Hot to Be Cool: Social Status Goals and their Relationship to Depressive Symptoms*
 - Role: Project Advisor
- Student: Nicole Lafko (Summer, 2011)
 - UVM Summer Research Intern Award
 - Scholarship: \$3,500 plus \$1,500 research costs
 - Title: *Relational aggression and internalizing problems: Functions and mechanisms.*
 - Role: Project Advisor
- Student: Kristina Lafferty (Summer, 2011)
 - UVM McNair Scholar
 - Scholarship: \$2,800 plus \$1,350 research costs
 - Title: *The need to belong and relational aggression in adolescent girls.*
 - Role: Project Advisor
- Student: Christina C. Moore (2010-2011)
 - Jeffords Scholarship
 - Scholarship: \$11,236 plus \$5,000 research costs
 - Title: *The protective role of teacher perceptions for at risk children.*
 - Role: Project Advisor
- Student: Anne E. Brady (Summer, 2010)

- UVM Summer Research Intern Award
- Scholarship: \$3,500 plus \$1,500 research costs
- Title: *Child narcissism and forms and functions of aggressive behavior.*
- Role: Project Advisor

Graduate Student Awards

- Students: Maria Lent & Casey Buck (2022).
 - Summer Fellowship, Child and Adolescent Psychology Training and Research, Inc.
 - Fellowship Award: \$ \$1,057.12
 - Title: *Graduate Training Request: Psychophysiology and Observational Data Collection with Early Childhood Samples*
 - Role: Advisor
- Student: Maria Lent (2020).
 - Summer Fellowship, Child and Adolescent Psychology Training and Research, Inc.
 - Fellowship Award: \$ \$3,848.66
 - Title: *Understanding Rates of Change and Attrition within the First Phase of Parent-Child Interaction Therapy*
 - Role: Advisor
- Student: Maria Lent (2019).
 - Summer Fellowship, Child and Adolescent Psychology Training and Research, Inc.
 - Fellowship Award: \$7,435
 - Title: *Does Emotional Overarousal Interrupt Social Information Processing? A New Look at an Old Model*
 - Role: Advisor
- Student: Alexandra Sullivan (2017).
 - Travel Grant, Child and Adolescent Psychology Training and Research, Inc.
 - Grant: \$1,945 in travel costs
 - Title: *The Role of Peer Victimization Experiences in Emotion Recognition Biases: Multilevel Modeling Training*
 - Role: Advisor
- Student: Leigh Ann Holterman (2017).
 - UVM Ronald G. Suiter Prize
 - Grant: \$1,000 in travel costs
 - Role: Advisor
- Student: Alexandra Sullivan (2016).
 - APAGS/Psi Chi Junior Scientist Fellowship
 - Grant: \$1,000 in research costs
 - Role: Advisor
- Student: Alexandra Sullivan (2016-2017).
 - Research Fellowship, Child and Adolescent Psychology Training and Research, Inc.
 - Fellowship award: \$9,375 stipend
 - Title: *The Role of Peer Victimization Experiences in Emotion Recognition Biases*
 - Role: Project Co-Advisor (Dr. Alice Schermerhorn, Co-Advisor)
- Student: Leigh Ann Holterman (2015-2017).
 - Research Grant, Child and Adolescent Psychology Training and Research, Inc.
 - Grant: \$7,062

- Title: *Resource Control Behaviors and Physiological Stress Reactivity: The Trajectories of Health Outcomes in School-Age Children*
- Role: Project Advisor
- Student: Leigh Ann Holterman (2016).
 - Training Grant, Child and Adolescent Psychology Training and Research, Inc.
 - Grant: \$3,245
 - Title: *Proposal to Study Program Evaluation and Cost-Benefit Analyses*
 - Role: Project Advisor
- Student: Nicole Lafko (2016).
 - Psychological Science Department Grant Award
 - Grant: \$1,950
 - Title: *Relational, Indirect, and Social Aggression: Measure Development for Emerging Adults*
 - Role: Project Advisor
- Student: Nicole Lafko (2014-2015).
 - University of Vermont Graduate Teaching Assistant of the Year
 - Awarded for Nicole's outstanding mentorship and teaching of students in the Psychology Department, including several undergraduate students in my lab.
 - Role: Advisor
- Student: Leigh Ann Holterman (2014-2017)
 - NSF Graduate Research Fellowship
 - Title: *Health Outcomes as a Function of Social Control Style in Middle Schoolers*
 - Role: Project Advisor
- Student: Julia McQuade (2010-2011).
 - University of Vermont Graduate Teaching Assistant of the Year
 - Awarded for Julia's outstanding mentorship and teaching of students in the Psychology Department, including several undergraduate students in my lab.
 - Role: Co-Advisor
- Student: Erin Shoulberg (2009-2010).
 - Jeffords Fellowship
 - Fellowship: \$17,470 plus \$5,000 research costs
 - Title: *The contextual nature of perceived popularity goals: Associations with math engagement and achievement during the transition to adolescence.*
 - Role: Project Advisor
- Student: Julia McQuade (2009).
 - Child and Adolescent Psychology Training Research Grant
 - Direct Costs: \$3,066
 - Title: *Cognitive mechanisms of social competence in school-age children: An examination of working memory, social information processing, and ADHD symptoms.*
 - Role: Project Advisor
- Student: Erin Shoulberg (2008).
 - Child and Adolescent Psychology Training Research Grant
 - Direct Costs: \$3,977
 - Title: *Relations between the importance of social skills and interpersonal behavior with friends: Do conflict resolution skills matter?*

- Role: Project Advisor

Undergraduate Independent Studies Supervision

- Supervised over 75 independent study, workstudy, and research volunteer students since Fall, 2007.

Undergraduate Honors Theses

- Student: Sindhu Donepudi (2021). Thesis: *Theory of mind differences between children with and without Autism Spectrum Disorder following Social Story Intervention.*
 - Role: Co-Advisor
- Student: Chloe Schafer (2021). Thesis: *The political socialization of Generation Z.*
 - Role: Committee Chair
- Student: Sophie Knox (2021). Thesis: *The social validity of a novel caregiver intervention to support episodic memory in Autism Spectrum Disorder: A single case study.*
 - Role: Committee Chair
- Student: Emily Young (2020). Thesis: *Is Your Child Even Listening to You?: Relationship between Socialization of Coping and Coping Behavior, Moderated by Physiological Stress Reactivity.*
 - Role: Project Advisor
- Student: Danielle Rice (2019). Thesis: *The Moderating Role of Parental Depression on the Relationship between Child Hostility and Family Functioning*
 - Role: Committee member
- Student: Ana Manuelian (2019). Thesis: *Embryonic Heat Shock and its Effect on Adult Performance in Drosophila melanogaster.*
 - Role: Committee Chair
- Student: Emily Kunsman (2019). Thesis: *Rejection sensitivity and problem eating behaviors: The moderating effects of emotion dysregulation.*
 - Role: Project Advisor
- Student: Rachel Webb (2018). Thesis: *Friendship quality in relationally and physically victimized children: The mediating effects of rejection sensitivity.*
 - Role: Project Advisor
- Student: Michelle Thompson (2017). Thesis: *The emotion accuracy and perception differences in children with internalizing, externalizing, and comorbid psychiatric problems.*
 - Role: Project Co-Advisor (with Dr. Althoff, College of Medicine)
- Student: Jamie Herold (2016). Thesis: *Coping strategies in middle childhood: The role of parental modeling.*
 - Role: Committee member
- Student: Hayley Pomerantz (2016). Thesis: *Pubertal Timing and Youth Internalizing Psychopathology: The Role of Relational Aggression.*
 - Role: Committee member
- Student: Alexandra Sullivan (2014). Thesis: *It's Not Hot to Be Cool: Social Status Goals and their Relationship to Depressive Symptoms.*
 - Role: Project Advisor
 - In 2014, Alexandra was awarded the Forgays Outstanding Senior Award from the UVM Psychology Department for her outstanding independent research.

- Student: Katharine Bailey (2013). Thesis: *Physiological and subjective responses to social and academic stress.*
 - Role: Project Advisor
- Student: Cassandra Godzik (2012). Thesis: *Parent depressive symptoms, college student depressive symptoms, and physiological stress reactivity.*
 - Role: Committee Member
- Student: Nicole Lafko (2012). Thesis: *Functions of relational aggression and eating disorders: The moderating role of relational victimization and gender.*
 - Role: Project Advisor
 - In 2012, Nicole was awarded the Forgays Outstanding Senior Award from the UVM Psychology Department for her outstanding independent research.
- Student: Elyse Ogletree (2012). Thesis: *The impact of sibling relationships on the socialization of relationally aggressive behaviors in college students.*
 - Role: Project Advisor
- Student: Christina C. Moore (2011). Thesis: *The protective role of teacher perceptions for at risk children.*
 - Role: Project Advisor
 - In 2011, Christina was awarded the George W. Albee Award from the UVM Psychology Department for her outstanding independent research.
- Student: Annie E. Brady (2011). Thesis: *Gender differences in the association between child narcissism and forms and functions of aggressive behavior.*
 - Role: Project Advisor
 - In 2011, Annie was awarded the John Dewey Award from the UVM Psychology Department for her outstanding independent research.
- Student: Erika Weisz (2011). Thesis: *The influence of perceived popularity in the emergence of anxious/depressed symptoms in relationally aggressive girls.*
 - Role: Project Advisor
 - In 2011, Erika was awarded the Donald G. Forgays Outstanding Senior Award from the UVM Psychology Department for her outstanding independent research.
- Student: Jenna Lynn Foran (2011). Thesis: *Using comic strip conversations to address Obsessive-Compulsive hand washing in an adolescent with Asperger Syndrome.*
 - Role: Committee Chair
- Student: Jessica-Lyn Wagar (2008). Thesis: *Measuring maternal sensitivity.*
 - In 2008, Jessica was awarded the John Dewey Award from the UVM Psychology Department for her outstanding independent research.
 - Role: Committee Member
- Student: Jessica Zamora (2006; Macalester College). Thesis: *Relational aggression and moral reasoning in young adolescent girls.*
 - Role: Committee Member
- Student: Paula Hoffert (2005; University of Minnesota). Thesis: *Behavioral predictors of clique membership in middle childhood.*
 - Role: Honors Project Mentor
- Student: Kristi Kotenberg (2004; University of Minnesota). Thesis: *Cross-sex friendships and mental health.*
 - Role: Honors Project Mentor

- Student: Alissa McKnight (2003; University of Minnesota). Thesis: *The unique effects of friendship quality and gender on depressive levels in middle childhood.*
 - Role: Honors Project Mentor

Graduate Student Visiting Scholar

- Student: Jelle J. Sijtsema. Visited UVM to train and work in the Social Development Laboratory from January to March, 2010.

Graduate M.A./2nd Year Project Committees

- Student: Tori Humiston (2021). Thesis: Healthcare provider communication in teens with type 1 diabetes: Parental overprotection and interpersonal effectiveness skills.
 - Role: Committee Member
- Student: Aya Cheaito (2020). Thesis: Autonomic reactivity in emerging adulthood: Relationships between cyberbullying, the autonomic nervous system, and clinical outcomes.
 - Role: Committee Member
- Student: Amanda Falcón (2020). Thesis: An investigation of the relationships between callous-unemotional traits, emotion regulation, antisocial behavior, and gender.
 - Role: Committee Member
- Student: Maria Lent (2019). Thesis: Parenting style and relational aggression: The moderating role of physiological reactivity
 - Role: Advisor
- Student: Caroline Martin (2018). Thesis: Examination of factors relating to the presence and modifiability of positive bias among children with ADHD
 - Role: Committee Member
- Student: Alexandra Sullivan (2018). Thesis: A pilot study of emotion recognition biases in relationally and physically victimized children: The moderating role of gender.
 - Role: Advisor
- Student: Kerry O’Loughlin (2017). Thesis: *An exploration of mechanisms underlying the intergenerational transmission of maltreatment.*
 - Role: Committee Member
- Student: Leigh Ann Holterman (2015). Thesis: *Peer victimization and the development of anxiety and depressive symptoms: The roles of stress physiology and gender.*
 - Role: Advisor
- Student: Nicole Lafko Bresland (2015). Thesis: *Susceptibility to peer influence for engagement in relational aggression and prosocial behavior: The roles of popular peers, stress physiology, and gender.*
 - Role: Advisor
- Student: J. Quyen Nichols (2015). Thesis: *Exploration of the factor structure and external validity of ADHD in adolescence through self, parent, and teacher reports of symptomatology.*
 - Role: Committee Member
- Student: Elyse Rosenberg (2014). Thesis: *Self-theory and goal orientation: Associations with coping style and internalizing and externalizing problems.*
 - Role: Committee Member
- Student: Caitlin Wagner (2012). Thesis: *Associations between relational victimization and adjustment in females: Investigating the role of respiratory sinus arrhythmia.*

- Role: Committee Member
- Student: Jennifer Zangl (2011). Thesis: *Rejection sensitivity as mediator between stigma and romantic relationship satisfaction.*
 - Role: Committee Member
- Student: Kristin Mount (2009). Thesis: *Maternal and child correlates of anxiety in 2 ½ year old children.*
 - Role: Committee Member
- Student: Laura Selkirk (2009). Thesis: *Links among high stakes testing, student achievement motivation, and performance.*
 - Role: Committee Member

Graduate Student Preliminary Project Committees

- Student: Maria Lent (2020)
 - Role: Faculty advisor for developmental preliminary exam
- Student: Maria Lent (2020)
 - Role: Faculty advisor for clinical preliminary exam
- Student: Alexandra Sullivan (2019)
 - Role: Exam developer and evaluator (in collaboration with 1 other faculty)
- Student: Kerry O’Loughlin (2018)
 - Role: Exam developer and evaluator (in collaboration with 2 other faculty)
- Students: Gini Peisch & Sarah Stanger (2016).
 - Role: Exam developer and evaluator (in collaboration with 2 other faculty)
- Students: Nicole Lafko & Justin Parent (2015).
 - Role: Exam developer and evaluator (in collaboration with 2 other faculty)
- Student: Caitlin Wagner (2014).
 - Role: Exam developer and evaluator (in collaboration with 2 other faculty)
- Student: Nolan Rampy (2013). Thesis: *Attitudes and social cognition: An advanced survey course.*
 - Role: Committee Member
- Student: Laura Selkirk (2012). Thesis: *Conceptualizing motivation across multiple subdisciplines of psychology.*
 - Role: Committee Member
- Student: Erin Shoulberg (2011). Thesis: *Trajectories of relational aggression from middle childhood and adolescence.*
 - Role: Project Advisor
- Student: Joanne Kalisz (2009). Thesis: *Psychology of gender course.*
 - Role: Project Advisor (taken over from Heather Bouchey)
