CLINICAL & ADMINISTRATIVE EXPERIENCE

DIRECTOR: The Behavior Therapy and Psychotherapy Center, Department of Psychological Sciences, University of Vermont

Dates: June 2006-present

Responsibilities: Manage overall operations at the UVM Department of Psychological Sciences training clinic (BTPC) including budget, administrative staff performance, program development, doctoral intern clinical training, vertical team/individual supervision, and fund raising. Enhance scientist-practitioner model of program through liaison with department faculty.

DIRECTOR: CONNECTING CULTURES/NESTT (New England Survivors of Torture and Trauma); Department of Psychological Sciences, University of Vermont

Dates: August 2007-present

Responsibilities: Manage overall operations of Connecting Cultures/NESTT program; a clinical-science specialty service of the BTPC. Connecting Cultures is specifically designed to promote well-being and provide mental health services for refugees, immigrants and asylum seekers. Connecting Cultures has four components, providing an integrated, culturally sensitive approach, including: 1) community-based outreach services; 2) direct clinical services; 3) research and 4) training.

CO-FOUNDER AND COORDINATOR: Clinical Psychology Internship Program

Dates: 2011-present

Responsibilities: Co-direct the doctoral internship program representing a collaboration between the BTPC and the UVM Department of Psychological Sciences and VCCYF of the UVM Psychiatry Department.

CLINICAL PSYCHOLOGIST/PROFESSOR: The Behavior Therapy and Psychotherapy Center, Department of Psychological Sciences, University of Vermont

Dates: August 1988-present

Responsibilities: Supervise doctoral candidates in UVM's APA approved clinical psychology program. Conduct forensic evaluations for family court and the VT and NY Department of Social and Rehabilitations Services and the VT Department of Corrections. Provide treatment in individual, family and group formats. Specialize in clinical work involving interpersonal violence/sexual abuse and refugee mental health.

CLINICAL PSYCHOLOGY INTERN: Behavior Therapy and Psychotherapy Center, Department of Psychology, University of Vermont

Dates: August 1984-July 1987

Responsibilities: Worked as individual, couples, family and group therapist for children, adolescents and adults in this outpatient clinic. Treatment included a range of psychological disorders (e.g., anxiety disorders, mood disorders, child sexual abuse, trauma, sex offender treatment). Primarily cognitive-behavioral and interpersonal psychotherapy. Also served as a public school consultant conducting cognitive, behavioral, and emotional child assessments.

CLINICAL PSYCHOLOGY INTERN: Vermont State Hospital, Waterbury, Vermont

Dates: August 1983- July 1984

Responsibilities: Supervised experience in a state institution for adults. Provided consultative services to staff as part of clients' interdisciplinary teams. Also provided individual treatment to persistently mentally ill population.

FAMILY THERAPY TEAM MEMBER: Family Therapy Team, University of Vermont

Dates: July 1982-July 1986

Responsibilities: Participated on reflecting team conducting therapy using narrative and strategic approaches. Presenting family problems included eating disorders, economic stress, depression, and child behavior problems. Training also involved theoretical knowledge of systemic, strategic, and structural family therapy.

GROUPS FACILITATED

m(health) language-free mental health intervention for refugees

Somali-Bantu & Bhutanese torture survivor groups

Burundi and Somali-Bantu refugee parenting groups

Somali Bantu parenting with mother's & daughters

Adolescent sex offenders

Adult sex offenders (males and females)

Child victims of sexual abuse

Adolescent victims of sexual abuse

Non-offending parents of sexually abused children

Non-offending parents of adolescent offenders

Learning impaired victims of sexual assault

Women inmates & eating disorders

Women inmates with PTSD & substance abuse

Women inmates & victimization

Women inmates/coping skills

FORENSIC EVALUATIONS

Asylum seeker psychological evaluations
Risk assessment for violence/sexual offenses
Psychosexual evaluations of adult males & females
Psychosexual evaluations of adolescent males & females
Criminal offender evaluations (adult & adolescent)
Family custody evaluations
Parental competence evaluations
Trauma evaluations
Allegations of child maltreatment (e.g., sexual abuse, physical abuse, witnessing domestic violence)

PROGRAM DEVELOPMENT

Vermont Correctional Addictions Program (VCAP): Co-founder (2016-present)
New England Survivors of Torture and Trauma (N.E.S.T.T): Co-founder (2009-present)
Connecting Cultures: Committed to the Mental Health of Vermont's Refugees (2007-present)
Mindfulness & Acceptance-Based Prevention Program for Substance Abuse (MAPP; 2006)
Helping Offenders through Prevention & Education (H.O.P.E.; 2001)
For Parents' S.A.K.E.S (Sexually abused kids; education & support)
Children & Parents United Beyond Bars (C.U.B.B.; 2000)

EXPERT TESTIMONY /CIVIL & CRIMINAL COURT

- Asylum evaluation expertise
- Research evidence regarding use and misuse of the Abel Screen
- Actuarial prediction in sexual offending recidivism
- Delay in children's report of child sexual abuse
- Domestic violence and victim recantation of previously reported abuse
- Trauma associated with domestic violence
- Child trauma associated with courtroom testimony
- Trauma associated with child sexual abuse
- Understanding perpetration of sadistic physical abuse
- Child custody and visitation schedules with co-parents
- Risk assessment related to psychosexual functioning
- Developmentally challenged victims of sexual abuse

CLINICAL SUPERVISION/CONSULTATION

August

2006-present **PRACTICUM SUPERVISION OF GRADUATE STUDENTS:** Provide weekly 1 ½ hour group supervision to eight to ten doctoral candidates at the training clinic. In my role as Director of the clinic, supervision includes didactic training regarding effective implementation of evidence based treatment, meta-supervision/consultation experience, discussion of ethical dilemmas, case presentations, in-vivo explorations and video-taped session review. Responsibilities also include annual organization of clinical practicum for over 25 graduate students.

June

2005-present **VERTICAL TEAM GROUP SUPERVISOR:** Provide weekly two-hour group supervision to four-five doctoral candidates (1st thru 5th year) working within the Behavior Therapy and Psychotherapy Center. Emphasis is on evidence-based treatment for trauma, refugee mental health, anxiety, and child maltreatment (e.g., child sexual abuse). Asylum seeker evaluation, risk assessment using actuarial prediction measures, and family violence evaluations are also taught.

July

1988-present **SUPERVISION OF GRADUATE STUDENTS:** Provide individual weekly supervision to 2-5 doctoral candidates working within the Behavior Therapy and Psychotherapy Center. Supervise students in assessment and treatment, with emphasis on the implementation of empirically supported clinical interventions, including community-based interventions.

February

2012 – 2015 **CONSULTATION TO HOWARD CENTER CLINICIANS:** Provide monthly 2 hour consultation to seven clinicians working at Howard Center for Community Mental Health regarding refugee mental health and cultural sensitivity.

September

1996-2013 **GROUP SUPERVISION FOR TREATMENT OF SEXUAL ABUSE:** Provided twice-monthly advanced training for the assessment and treatment of sexual abuse to eight mental health professionals in the community. Supervision includes: review of relevant literature, clinical case presentations, discussion of vicarious traumatization, empirically supported intervention and professional ethics. State funded since 1999.

June

1999-2011 **SUPERVISION OF CLINICAL/RESEARCH PLACEMENT:
INCARCERATED POPULATION:** Provided weekly primarily clinical (& research) supervision to one graduate student per year from the UVM clinical psychology program. Individual and group treatment with incarcerated population at the Chittenden County & Dale Correctional Facilities including: anger management, eating issues, PTSD & substance abuse, and coping skills. Forensic evaluations include risk assessment and clinical interviews.

Dec. 1999-
July 2000

GROUP SUPERVISION FOR TREATMENT OF COMPLEX POST-TRAUMATIC STRESS DISORDER: Co-Facilitated supervision group for Mental Health Providers of Fletcher Allen Hospital regarding assessment and treatment of complex PTSD.

July 1993-
June 1998

GROUP SUPERVISION FOR TREATMENT OF PARENTS OF SEXUALLY ABUSED CHILDREN: Supervised weekly group of 2-4 graduate students, 1-2 undergraduate students and 2-4 mental health professionals in providing clinical treatment to non-offending parents and their sexually abused children. Used the manualized community treatment: For Parents' S.A.K.E.S. in three sites in Vermont: Burlington, Middlebury and Barre/Montpelier.

August 1995-
July 1996

GROUP SUPERVISION TO CORRECTIONAL STAFF: Provided monthly supervision to mental health staff providing treatment to inmates at the Chittenden County Correctional Center (CCCC), VT.

July 1990-
August 1996

SUPERVISION OF CLINICAL/RESEARCH PLACEMENT: INCARCERATED POPULATION: Provided weekly supervision to one graduate student per year who provided group and individual assessment and treatment to male and female offenders within the Chittenden County and St. Albans correctional facilities in VT. Projects have included: forensic evaluations, research on the prevalence of psychological disorders in the correctional population, research regarding PTSD in an inmate sample and childhood victimization among women inmates.

July 1993-
June 1999

CONSULTANT TO NEW YORK STATE SEX OFFENDER TREATMENT PROGRAM: Provided bi-monthly consultation for clinical services and program development to the S.A.F.E.R. sex offender treatment program being developed in Plattsburgh, NY. Provided ongoing supervision to group facilitators.

June 1993-
July 1994

GROUP SUPERVISION TO GRADUATE STUDENTS AT THE BEHAVIOR THERAPY & PSYCHOTHERAPY CENTER: As part of my responsibilities as acting director of the BTPC, I provided weekly two hour group supervision to eight interns at the BTPC for assessment, treatment, professional development, ethics and case reviews.

Sept.1991-
August 1992

GROUP SUPERVISION: JUVENILE REHABILITATION CENTER: Provided two hours of monthly clinical supervision to six treatment staff at the Woodside Juvenile Rehabilitation Center, with emphasis on relapse prevention strategies.

RESEARCH EXPERIENCE

- 2008-present **Mental Health of Refugees, Immigrants and Asylum Seekers** (Principal Investigator)
- 2005-2008 **Experiential Avoidance as a Mediator in the Relationship Between Negative Affect and Dietary Restraint** (Advisor)
- 2002-2004 **Assessment of Psychological Symptoms, Substance Use and Trauma Among Women Inmates**
- 1998-2002 **Pathways from Victimization to Criminal Behavior: Factors Associated with Criminality Among Women Abused as Children** Supervised doctoral thesis and participated in data collection from women inmates and community comparison group regarding substance abuse, child abuse, witnessing violence and adult sexual and physical assault. Prepared written documents for the Department of Corrections, VT.
- 1990-2000 **A Community Program for Non-Offending Parents and their Sexually Abused Children** (Principal Investigator).
- 1991-1996 **Statewide Prevalence of Mental Illness Among Prisoners** (Co-Principal Investigator) Supervised doctoral thesis of prevalence of mental illness among prisoners in VT, using the Diagnostic Interview Schedule.
- 1989-1991 **Evaluation of the Violent Offender Program (VOP) at the Northwest State Correctional Facility** (Principal Investigator) Supervised and participated in the design and implementation of a study assessing the VOP program in VT.
- 1990-1991 **Incarcerated Female Offenders: A Profile in Vermont** (Co-Principal Investigator).
- 1983-1992 **Stress and Coping Research Group**: Participated in a team of faculty and students in the conceptualization and design of research on stress and coping.
- 1988-1990 **Statewide Evaluation of Intensive Family-Based Services (IFBS)** (Principal Investigator) Supervised design and implementation of evaluation w/comparison group (8 state locations). Data resulted in a graduate student dissertation.
- 1982-1983 **Bulimia Nervosa Research** (Research Assistant) Department of Psychology, University of Vermont. Participated in the assessment of eating behavior and body size distortion in women with bulimia nervosa.
- 1982-1983 **Procrastination Research** (Research Assistant) Department of Psychology, University of Vermont. Co-facilitated groups in the study of procrastination.

- 1981-1982 **Autistic Children/Adolescents** (Research Assistant) S.U.N.Y. Stony Brook.
- 1980-1982 **Attributional Styles and Sex Differences** (Research Assistant) S.U.N.Y. Stony Brook. Collected and analyzed data: Senior Honors Thesis.
- 1980-1982 **Attributional Styles and Depression** (Research Assistant) Department of Psychology, S.U.N.Y. at Stony Brook.

TEACHING EXPERIENCE

- 2008-present **Advanced Clinical Practicum:**
PSYS 385 D& F Graduate courses, Department of Psychological Science, University of Vermont (Connecting Cultures Vertical Team & Sequential Series for Professional Development, Supervision and Consultation)
- 2005-present **Clinical Professor:** Department of Psychology, University of Vermont
- 2015 – 2016 **Clinical Lecturer:** Acceptance and Commitment Therapy (ACT) University of Vermont Medical School
- 1995-2005 **Clinical Associate Professor:** Department of Psychology, University of Vermont
- Spring–2004 **Adult Behavior Therapy:** Graduate course, Department of Psychology, University of Vermont
- Spring 1992 **Behavior Disorders of Children:** Upper level undergraduate course, Department of Psychology, University of Vermont
- 1988-1995 **Clinical Assistant Professor:** Department of Psychology, University of Vermont
- 1988-1991 **Inmate Mental Health:** Led a weekly group of four graduate students, two undergraduate students, and two staff from the Vermont Department of Corrections in coordination of a multi-agency research project
- 1988-1990 **Intensive Family Based Services:** Led weekly group of graduate and undergraduate students in the coordination of research for the state-wide evaluation of intensive family based services
- 1987 **Introductory Psychology:** Department of Psychology, University of Vermont
Co-taught a general psychology course surveying the field. Responsible for course administration, lectures, student evaluations for 100 students
- 1981 **Introductory Psychology:** Teaching Assistant, S.U.N.Y. at Stony Brook
Taught two introductory psychology recitations twice a week
- 1981 **Research Methods:** Teaching Assistant, S.U.N.Y. Stony Brook

RESEARCH AND CLINICAL GRANTS AND CONTRACTS

<u>Role</u>	<u>Title of Project</u>	<u>Funding Source</u>	<u>Year</u>
Principal Investigator	New England Survivors of Torture and Trauma (NESTT)	US Department of Health and Human Services, Agency of Children and Families, ORR	2018-2022 (Submitted 2018)

PRESENTATIONS

National/International:

- Wanna, C., Seehuus, M. & **Fondacaro, K.** (2018, May). *A house is not a home: Modeling the effects of pre-migration and post-migration factors within resettled refugee populations*. Poster presented at the 3rd Annual Translational Neuroscience Program Symposium and Research Day, Wayne State University, Detroit MI. This poster won an award for best poster of 40.
- Meyerhoff, J., Rohan, K. J., **Fondacaro, K.**, Warner, M. (2018, November -accepted). *Culturally-responsive Suicide Assessment Among Bhutanese Refugees Living in the United States*. Paper to be presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Washington, DC.
- Lampson, K., Barley, D., Flores, L., **Fondacaro, K.M.** & Liu, L. (2018, March). *Never discuss religion or politics in polite company?* Panel Presentation at the Association of Psychology Training Clinics Annual Conference, Maui, HI.
- Fondacaro, K.M.** & Zetzer, H. (2018, March). *Global trends in psychology*. Presentation at the Association of Psychology Training Clinics Annual Conference, Maui, HI.
- Dehle, C., Schwartz, J. & **Fondacaro, K.M.** (2018, March). Training newbies: Strategies for addressing the unique training needs of new student therapist. *Increasing cultural awareness, sensitivity, and reflection in new clinicians*. Poster Presentation at the Association of Psychology Training Clinics Annual Conference, Maui, HI.
- Salton, W., **Fondacaro, K.M.** & Mazzulla, E.C., & Gelman, I. & Springer (2018, March). *Immigration and our training clinics: The arrival of the fittest*. Panel Presentation at the Association of Psychology Training Clinics Annual Conference, Maui, HI.
- Donovan, L., **Fondacaro, K.** & Mazzulla, E. (2018, March). *Utilizing a mobile mental health intervention for the reduction of trauma symptoms in refugees and torture survivors*. Poster presentation at the National Consortium for Torture Treatment Programs (NCTTP), Washington, D.C.
- Fondacaro, K.** & Mazzulla, E. (April 24, 2017). *Connecting Cultures-three-part lecture: 1) Chronic traumatic stress framework; 2) Mobile mental health intervention, and 3) Vicarious trauma and resilience*. Invited presentation: Stony Brook University, Stony Brook, NY.
- Fondacaro, K.** & Mazzulla, E. (April 25, 2017). *Connecting Cultures-three-part lecture: 1) Chronic traumatic stress framework; 2) Mobile mental health intervention, and 3) Vicarious trauma and resilience*. Invited presentation: Stony Brook University, Stony Brook, NY.
- Mazzulla, E., & **Fondacaro, K.** (March, 2017). *Significant reduction in trauma symptoms and increase in coping skills after a brief mobile mental health intervention with TherapyTools*. Annual Conference of the National Consortium of Torture Treatment Programs (NCTTP), Washington, D.C.
- Fondacaro, K.** (March, 2017). *APTC President's address: Introduction and welcome to new and*

- seasoned training directors*. Presentation at the annual meeting of the Association of Psychology Training Clinics (APTC), Miami, FL.
- Fondacaro, K.** (March, 2017). *Programming for new directors: Questions and answers about running a training clinic*. Presentation at the annual meeting of the Association of Psychology Training Clinics (APTC), Miami, FL.
- Pichler, E. & **Fondacaro, K.** (March, 2017). *From benchmarks to training: Adopting a competency-based approach*. Poster presentation at the annual meeting of the Association of Psychology Training Clinics (APTC), Miami, FL.
- Winer, J., **Fondacaro, K.**, Rosenberg, Pichler, E. & Weith, J. (2016, November). *The impact of Chronic Traumatic Stress on youth and families: A focus on refugee and new American mental health across the life span*. Symposium at the Charleston Child Trauma Conference: Bridging Science and Practice, Charleston, South Carolina.
- Fondacaro, K.M.** & Mazzulla E.C. (2016, October). *Refugees and survivors of torture in Maine: A review of the Chronic Traumatic Stress (CTS) framework and ten module treatment*. Presented at the Building Bridges Conference: Advancing Trust and Understanding of our Communities, Portland Maine.
- Fondacaro, K.M.**, & Mazzulla, E. (2016, July). *Moving Beyond PTSD: A Treatment Framework for Survivors of Torture using Mobile Health Technology*. European Association of Psychology and Law: New Challenges in Psychology and Law: Science into Practice, Toulouse University, Toulouse, France.
- Fondacaro, K.M.** (2016, March). *Strategies and ethical challenges in the sustainability of training clinics*. Panel Presentation at the Annual Meeting of Directors of Psychology Training Clinics (APTC), Seattle, WA.
- Fondacaro, K.M.** (2016, March). *Clinic Innovations Award Address*. Presentation at the Annual Meeting of Directors of Psychology Training Clinics (APTC), Seattle, WA.
- Fondacaro, K.M.** (2016, March). *Programming for new directors: Answers to questions about running a training clinic*. Panel Presentation at the Annual Meeting of Directors of Psychology Training Clinics (APTC), Seattle, WA.
- Fondacaro, K.M.**, Brassell, A.E., Kurmin, M., Weith, J.F., & Mazzulla, E.C. (2016, March). *Connecting Cultures with technology: Innovative strategies for addressing mental health disparities exacerbated by language barriers*. Poster presentation at the Annual Meeting of Directors of Psychology Training Clinics (APTC), Seattle, WA.
- Fondacaro, K.M.**, Brassell, A.E., Baptiste, V., Pichler, E. & Mazzulla, E.C. (2016, March). *Chronic Traumatic Stress (CTS): A framework for survivors of torture using technology*. Presentation at the National Consortium of Torture Survivor Program (NCTTP), George Washington University, Washington, D.C.
- Fondacaro, K.** (2016, January). *A place for the displaced: Finding home and health for refugees*. Invited Panel Presentation at the Dartmouth Coalition for Global Health and Geisel School of Medicine, Dartmouth College, Hanover, NH.
- Fondacaro, K.** & Mazzulla (2015, August). *Moving Beyond Post Traumatic Stress Disorder in Refugees And Torture Survivors; the Applicability of Chronic Traumatic Stress (CTS)*. Poster presentation at the American Psychological Association, Toronto, Canada.
- Brassell, A., Weith, J., **Fondacaro, K.** (2015, July). *Examining parental psychological flexibility in the context of parental well-being and infant cognitive and social-emotional development*. Poster presented at the 13th ACBS World Conference, Berlin, Germany.
- Baetz, C., Clifton, J., Baptiste, V... **Fondacaro, K.** (2015, July). *Examining the relations between anxiety, depression, chronic traumatic stress, and psychological flexibility in male Bhutanese refugees*. Poster presented at the 13th ACBS World Conference, Berlin, Germany.
- Clifton, J., Ho, S., Baetz, C.... **Fondacaro, K.** (2015, July). *A preliminary investigation of the use of acceptance and commitment therapeutic principles in group treatment with a community sample of Bhutanese refugee women*. Poster presented at the 13th ACBS World Conference, Berlin, Germany.

- Ho, S., Clifton, J., Pichler, E., Evans, M., Gottlieb, D., Harder, V., & **Fondacaro, K.** (2015, July). *Psychological flexibility as a mediator of depression, anxiety, and PTSD in group therapy with female Bhutanese refugees*. Poster presented at the annual meeting of the Association for Contextual Behavioral Sciences World Conference 13, Berlin, Germany.
- Weith, J., Brassell, A., Crockenberg, S., Forehand, R. & **Fondacaro, K.** (2015, July). *The impact of maternal psychological flexibility and post-migration stress on refugee infant development*. Poster presented at the 13th ACBS World Conference, Berlin, Germany.
- Brassell, A., Mazzulla, E.C., **Fondacaro, K.** (2015, June). *Impact of parental factors in refugee infant development*. Symposium conducted at the North American Refugee Health Conference, Toronto, Canada.
- Baptiste, V. & **Fondacaro, K.**, & Harder, V. (2015, June). *The impact of chronic traumatic stress (CTS) and torture on the mental health of refugee women*. Poster presented at the North American Refugee Health Conference, Toronto, Canada.
- Fondacaro, K.**, Ivanova, M., & Kennedy, K. (2015, April). *UVM Clinical Psychology Internship Program (C-PIP): An Overview*. Presentation at the Annual Association of Psychology Training Clinics (APTC), Austin, TX.
- Mazzulla, E. & **Fondacaro, K.** (2015, June). *Moving Beyond Post Traumatic Stress Disorder in Refugees And Torture Survivors; the Applicability of Chronic Traumatic Stress (CTS)*. Presentation at the North American Refugee Health Conference, Toronto, Canada .
- Ho., S., Price, M. Baptiste, V., Gottlieb, D., Harder, V., & **Fondacaro, K.** (2015, April). *Somatic symptoms as predictors of depression and anxiety in refugees and torture survivors*. Poster presentation at the annual meeting of the Society of Behavioral Medicine, San Antonio, TX.
- Fondacaro, K.** & Mazzulla, E. (2015, March). *Re-thinking Post Traumatic Stress Disorder in Refugees And Torture Survivors; the Applicability of Chronic Traumatic Stress (CTS) to Guide Assessment, Intervention, and Policy*; Presentation at the National Consortium of Torture Treatment Programs (NCTTP), Washington, DC.
- Dee, J., **Fondacaro, K.**, & O'Rourke (2015, February). *Trauma informed physical therapy for survivors of torture*. Two-Hour workshop at the Annual American Physical Therapy Association, Indianapolis, IN.
- Schaubhut, G.J., Klemperer, E., Hruska, B., Price, M., & **Fondacaro, K.** (2014, October). *Concurrent Substance & post-traumatic stress disorders: Treatment model and future research efforts*. Poster presented at the New England Rural Health Conference, Westford, MA.
- Ho, S., Evans, M., Clifton, J., Gottlieb, D., Harder V., & **Fondacaro, K.** (2014, June). *Examining the relation between anxiety, depression, and psychological flexibility in female Bhutanese refugees*. Poster presented at the Association for Contextual Behavioral Sciences World Conference 12, Minneapolis, MN.
- Hamblin, R., Brassell, A., Berkout, O., & **Fondacaro, K.** (2014, June). *Global Parenting Skills: Examination of an ACT model of parenting practices to address the needs of refugee children and families*. In R. Hamblin (Chair), *Mind the Gap: Capitalizing on Values and Psychological Flexibility Principles to Reach Diverse Populations*. Symposium conducted at the Association for Contextual Behavioral Science World Conference XII, Minneapolis, MN.
- Pichler, E. , **Fondacaro, K.**, & Forehand, R. (2014, June). *The relationship of youth mindfulness and parent post-traumatic stress with emotional and behavioral problems in adolescents with refugee and non-refugee backgrounds*. Poster presented at the Association for Contextual Behavioral Science World Conference XII Minneapolis, MN.
- Brassell, A., Hamblin, R., Harder, V. & **Fondacaro, K.** (2014, June). *Initial findings of the Global Parenting Skills program: Treatment effectiveness and the role of acculturation and psychological flexibility*. Poster presented at the Association for Contextual Behavioral Science World Conference XII Minneapolis, MN.
- Brassell, A., Rosenberg, E., Parent, J., Seehus, M., **Fondacaro, K.**, & Forehand, R. (2014, June). *The influence of psychological inflexibility on parenting and child psychosocial well-being*. Poster

- presented at the Association for Contextual Behavioral Science World Conference XII Minneapolis, MN.
- Berkout, O., *Hamblin, R., Harder, V. & **Fondacaro, K.** (2014, June). In O. Berkout (Chair), *Reaching a diverse refugee population: Treatment engagement among individuals receiving ACT informed interventions*. Presentation at the Association for Contextual Behavioral Science World Conference XII Minneapolis, MN.
- Fondacaro, K.** & Fondacaro, M. (2013, August). *The psychology and law of working with survivors of torture and trauma: A social ecological intervention model*. Presentation at the 2013 American Psychological Association Convention, Honolulu, HI.
- Robinson, J., Stanley, S., **Fondacaro, K.**, Robitscshek, C., & Hardin, E. (2013, August). *Diversity training: Considering the trainee perspective in discussions of change*. Invited panel presentation at the 2013 American Psychological Association Convention, Honolulu, HI.
- Evans, M., Clifton, J., Ho, S., Baptiste, V., Mazzulla, E.C., Albaugh, M.A., Harder, V.S., & **Fondacaro, K.** (August, 2013). *Examining torture types experienced and psychological functioning in refugees and asylum seekers*. Poster presented at the annual meeting of the American Psychological Association, Honolulu, HI.
- Mazzulla, E. Albaugh, M., Harder, V. & **Fondacaro, K.** (2013, August). *Association between immigration status and symptoms of anxiety, depression, and post-traumatic stress among refugees and asylum-seekers*. Poster at the 2013 American Psychological Association Convention, Honolulu, Hawaii.
- Fondacaro, K.** & Gottlieb, D. (June, 2013). *Group Treatment with Bhutanese and Somali-Bantu Refugees/Torture Survivors: A Social Ecological Intervention Model*. Workshop at the 2013 North American Refugee Health Conference, Toronto, Ontario, CA.
- Hogan, J., Johnson, K., Marini, V., Harder, V., & **Fondacaro, K.** (2012, April). *The degree of trauma exposure in relation to symptoms of anxiety and depression among refugees*. Poster presentation for the 32nd annual conference for Anxiety Disorders Association, Arlington, VA.
- Clifton, J., Evans, M., Harder, V., & **Fondacaro, K.** (2012, April). *The relationship between types of torture and psychological functioning*. Poster presentation at the 32nd annual conference for Anxiety Disorders Association, Arlington, VA.
- Harder, V. & **Fondacaro, K.** (April, 2012). *Internalizing problems among refugees and asylum seekers: Being a torture survivor*. Poster presentation accepted at the 32nd annual conference for Anxiety Disorders Association, Arlington, VA.
- Fondacaro, K.** (2012, April). *An ACT-ological Framework: Treatment of PTSD for refugees and torture survivors*. Presentation to the 32nd annual conference for Anxiety Disorders Association of America, Arlington, VA.
- Fondacaro, K.** & Harder, V. (2011, March). *Outcome evaluation for torture survivor programs*. Presentation at the Center for Victims of Torture, Sarasota, FL.
- Fondacaro, K.**, Harder, V., Garai, E.P., Reincke, K., Gilligan, C., & Kuny, A. (2010, November). *Evidence-based treatments for post traumatic stress disorder, anxiety, and depression among survivors of torture and trauma*. Poster presented at the International Society for Traumatic Stress Studies (ISTSS), Montreal, Quebec.
- Garai, E. **Fondacaro, K.**, Harder, V., Johnson, K., & Marini, V. (2010, November). *Cognitive behavioral therapy for post traumatic stress disorder and/or depression among survivors of torture or trauma in a community mental health setting*. Poster presented at the International Society for Traumatic Stress Studies (ISTSS), Montreal, Quebec.
- Gilligan, C., **Fondacaro, K.**, & Garai, E. (2010, November). *Case Study of a Torture Survivor with PTSD using narrative exposure therapy*. Poster presented at the International Society for Traumatic Stress (ISTSS), Montreal, Quebec.
- Fondacaro, K.** (2010, August). *NESTT: New England Survivors of Torture and Trauma: A first look at the impact of torture on refugees receiving services*, Culture & Mental Health Research Unit, Division of Social & Transcultural Psychiatry, McGill University,

Montreal Quebec.

- Fondacaro, K.M.**, Reincke, K., & Harder, V. (2009, May). Introducing the Connecting Cultures Program for Vermont's Refugees. Learning collaborative for addressing the health and well-being of refugee youth and families in New Hampshire: Organized by Wellesley College and University of Massachusetts: *Introducing the Connecting Cultures Program of Vermont*, Manchester, NH.
