

## CURRICULUM VITAE

Junji Yano

ADDRESS: Department of Biology

218A, Marsh Life Science Bldg.

University of Vermont

Burlington, VT 05405-0086

BIRTH DATE: 1/15/50, Kagawa-ken, Japan

VISA STATUS: Permanent residence (through 11/1/94)

### EDUCATION:

Institution Dates Field Degrees

Kanazawa University, Department of Biology, 4/69-3/75 Biology B.S., M.S.

Hiroshima University, Department of Zoology, 4/75-3/88 Zoology Dr.Sci.

### Fellowship:

1975-1978 Nippon Ikuei-kai Fellowship for graduate student

1981-1982 Nippon Gakujutu Shinkou-kai Fellowship for

Postdoctoral Fellow

1998.5-99.4. The award from the University Committee on Research

Scholarship (University of Vermont)

1998.6-98.8. Faculty Summer Research Fellowship

Professional Experience:

Position held

4/88-12/91 Postdoctoral Fellow at Zoological Institution, Faculty of Science, Hiroshima University, Higashi- Hiroshima, Japan.

1/92-6/92 Research associate of physiology at University of Virginia School of Medicine, Charlottesville, VA.

7/92-4/93 Postdoctoral researcher at The Ohio State Biotechnology Center, The Ohio State University, Columbus, OH.

5/93-2/95 Postdoctoral associate, Department of Zoology, University of Vermont, Burlington, VT.

3/95-8/01 Research associate, Department of Biology, University of Vermont, Burlington, VT.

9/01-current Research assistant professor, Department of Biology, University of Vermont, Burlington, VT.

Publications:
