“Non-équivalence ricardienne dans une union monétaire”, *(CEPREMAP Real Business Cycles seminar, Paris France, Nov.1999*).

TEACHING AND ADVISING

Since Fall 2007 Teaching load: 5 undergraduate courses per year, semester system (with one double section, this equivalent to 155 hours per year). Additional minimum of 60 office hours per year.

- Undergraduate teaching:
  - Principles of Macroeconomics (EC011).
  - Macroeconomic theory (EC171).
  - Public Policy (EC130), in person and online.
  - Money and Banking (EC120).
  - Topics in Public Finance Seminar (EC220/EC225), in person and online.
  - Advanced Macroeconomic Theory & Simulations (EC222).

- Undergraduate Advising: About 25-35 students per semester.

- Supervision of honors theses, and honors thesis committee member.

- Supervision of Fed Challenge team 2018.

July 03-June 07 University of California, San Diego:

- Undergraduate teaching: Principles of Macroeconomics (Econ 3), Intermediate Macroeconomics (Econ 110A and 110B), Honors sections 110A and 110B.
- Academic internship advisor, Supervised honors papers.

Oct 01-June 02 Sections taught:

- Money, 2 sections, Macroeconomics, 2 sections.

Oct 97-June 99 Sections taught:

- Mathematics and Statistics, 5 sections, Macroeconomics, 2 sections.

SERVICE

Professional service

- **Editorial work:**

  Associate editor for *Public Finance Review* (since August 2022)

  Associate editor for *Economics Bulletin* (since March 2021)
