Curriculum Vitae
Thomas D. Visser

Department of History, University of Vermont, Burlington, VT 05405
thomas.visser@uvm.edu

Professional Education

Education

University of Vermont, Burlington, VT, M.S. Historic Preservation, 1986
University of New Hampshire, Whittemore School of Business and Economics, Durham, NH, B.Sc. Business Administration, 1973
Université de Montréal, Ecole d'Architecture and Heritage Montreal, Montreal, Quebec. Architectural Renovation and Restoration Summer School, 1985
University of California, College of Environmental Design, Berkeley, CA. Summer courses: Environmental Design, Computer Applications in Architecture, 1983
University of Massachusetts, Amherst, MA. Landscape Preservation Seminar. Department of Landscape Architecture and Regional Planning in cooperation with Division for Continuing Education, 1988.

Professional Training

Vermont Department of Health and HUD Approved Essential Maintenance Practices Training Course, Certificate of Completion, Burlington, VT, 2020
Legionella Basics in a COVID-19 World online course, Maine Indoor Air Quality Council, 2020
Calculating Dew Point in Wall Cavities & Surfaces, Maine Indoor Air Quality Council, 2020
National Park Service & Society for the Preservation of New England Antiquities (SPNEA), Wood Conservation Training Course. Boston, Massachusetts, 1991
Association for Preservation Technology/ ICOMOS Canada, Professional Training Course: Masonry Conservation. Ottawa, Ontario, 1989
Association for Preservation Technology, Professional Training Courses:
Historic Concrete: Investigation & Repair. Chicago, Ill., 1989
Paint Analysis and Conservation. San Francisco, California, 1985
Preservation Institute for the Building Crafts, Professional Training Courses:
Structural Evaluation and Repair of Older Buildings, Windsor, VT, 1989
Fire Safety and Historic Preservation Workshop, Middlebury, VT, 1988
Slate Roof Repair Workshop, Middlebury, VT, 1986
Wood Conservation Workshop, Rutland, VT, 1985
Plaster Conservation Workshop, Windsor, VT, 1985

Professional Experience

Employment Positions

University of Vermont, Burlington, VT, 1985-present
History Department
Professor of Historic Preservation, 2015 to present
Associate Professor of Historic Preservation, 1998-2015
Research Associate Professor and Lecturer, 1995-1998
Research Assistant Professor and Lecturer, 1988-1995
Departmental Facilities and Technology Liaison, 2021- present
Historic Preservation Program
Director, 2005-2021
Interim Director, Historic Preservation Program, 1994-2005

Coordinator, Architectural Conservation and Education Service (ACES), 1985-2003
Developed and taught graduate level courses, 1986-present (course listings below)
Graduate College, faculty appointment, 1988-present
Canadian Studies Program adjunct faculty appointment, 1990-2008
Center for Research on Vermont, fellow, 1992-present

Awards

University of Vermont, Kroepsche-Maurice Award for Teaching Excellence, 1998.

Pioneer America Society, Fred B. Kniffen Book Award in the best-authored book category, for *A Field Guide to New England Barns.* 1998.

Individual Research Grant (Individual professional contracts are listed below)

National Endowment for the Arts, Design Arts Program. Individual grant award to research New England barns for field guide book. 1991-1993.

Institutional Research Grants

National Park Service, National Center for Preservation Technology and Training, "Collaborative Research: Engineering Applications to Historic Preservation," funded co-operative agreement, co-principal investigator, (with Prof. Donna Rizzo, co-PI, and Prof. Jeffery Scott Marshall, project director, UVM School of Engineering), 2011–2013.

Department of the Navy, Naval Facilities Engineering Command. Historic Preservation and Architectural Conservation Work at Marine Corps base, (MCB) Camp Pendleton, California. Cooperative Agreement for Historic Structures Report for Santa Margarita Rancho. Principal investigator with Douglas Porter co-principal investigator and field coordinator. 2006-2007.

Los Alamos National Laboratory, Los Alamos, New Mexico (University of California). Agent Fate: Chemical and biological contaminants and the transport properties of historic building materials. Grant funded research project. Principal investigator with Douglas Porter, project coordinator, and Prof. Mandar Dewoolkar, co-investigator, UVM Department of Civil and Environmental Engineering and graduate research assistants. 2003-2006.

United States Marine Corps/ Porter & Associates. Maintenance manual project for Las Flores Adobe Ranch House National Landmark at United States Marine Corps Camp Pendleton, San Diego County, California. Principal investigator with graduate student research assistant in collaboration with Douglas Porter, project coordinator. 2005.

National Park Service. Cooperative Joint Venture Agreement with the Pacific Northwest Cooperative Ecosystem Studies Unit for a program of research, training and implementation at the Las Flores Adobe Ranch House on a United States Marine Corps National Landmark site on Camp Pendleton, San Diego County, California. Principal investigator with Douglas Porter, project coordinator. (Phase 5 porch repairs and Phase 6 carriage house rehabilitation) Summer 2003-Fall 2004.

National Park Service. Cooperative Joint Venture Agreement with the Pacific Northwest Cooperative Ecosystem Studies Unit for a program of research, training and implementation at the Las Flores Adobe Ranch House on a United States Marine Corps National Landmark site on Camp Pendleton, San Diego County, California. Principal investigator with Douglas Porter, project coordinator. (Phases 1 through 4) Spring 2002- Fall 2003.

National Park Service / Historic Windsor, Inc. National Covered Bridge Preservation Conference. Co-principal Investigator. Organized and hosted the conference at UVM, Burlington, VT. June 2003-2004.

National Park Service, Preservation Technology and Training Grant, National Center for Preservation Technology and Training, Natchitoches, LA. Preservation Education Skills for Building Trades Teachers Project. 1995-6.

National Endowment for the Arts, Design Advancement Grant. Vermont Visual Laboratory Project. In collaboration with Chester Liebs, principal investigator. January 1987-1989.

Teaching

Courses Developed and Taught at the University of Vermont

HP 100 Introduction to Historic Preservation: Planning for development in 2022-23
HP 304 Contemporary Preservation Policy and Planning: 2005-2007, 2009-present
HP 306 Architectural Conservation I (formerly Conservation Techniques for Historic Structures, HP 203), 1989-2001, 2003-2008, 2010-present
HP 307 Architectural Conservation II: 1986-2007, 2009-present
HP 206 Researching Historic Structures and Sites (formerly HP 395): 1995-2007, 2009-present
HP 303 Historic Preservation Internship: 1994-2021
HP 391 Historic Preservation Thesis: See list below.
HP 305 Historic Preservation Practice Methods: co-taught 2003
HP 395B Conservation Leadership Seminar: 2003
HP 302 Preservation Advocacy Project: co-taught 1987, 2000, 2001, 2002
HP 301 Historic Preservation Contemporary Practice: co-taught 1999, 2000
HP 201 Architecture, Landscape & History: 1994
HP 395A Conservation Leadership Field Course: Reading the Landscape: co-taught Summer 2003
HP 202 Barns: History and Conservation: Summer 1992, 1994, 1996, 1998
HP 202 Preservation Education Skills for Building Trades Teachers: Summer 1996
HP 202 (cross-listed as HIST 195, HIST 300) History of American Building Technology: Summer 1993
HP 202 Lead Paint Strategies for Older Buildings: Summer 1992
HP 202: Discovering the History of House and Home: Summer 1991
HP 202 Conserving Historic Farm Buildings: Summer 1990
HP 202 Restoring Old Houses: Summer 1987-1990
HP 202 Environmental Simulation Workshop: Summer 1989-91, co-taught
HP 202 Architectural Conservation Workshop: Summer 1986-1989, co-taught

Student Thesis / Project Advisor / Graduate Project Review Committees

UVM Civil & Environmental Engineering 185 senior capstone course. Ira Kent Barn Rehabilitation, Condition and Proposed Treatments project. Undergraduate student project advisor, Spring 2021.

UVM Civil Engineering 185 senior capstone course. Kent's Corner barn preservation project. (Assisted developing cooperative agreement for this in collaboration with Vermont State Historic Preservation Office and UVM Engineering faculty.) Undergraduate student project advisor, 2020.

Burlington Geographic: Place-Based Landscape Analysis and Community Engagement in Burlington, Vermont. Sean Beckett, M. S. Field Naturalist candidate, RSENR, 2016-17. UVM Graduate project committee chair.

Journey's End: African American Heritage and the Built Environment. Melissa Smith. M.S. Historic Preservation candidate, 2013. Thesis advisor.

Blueprints for Progress: General Houses, Inc. and the Modern Prefabricated House, 1932-40. Douglas Royalty, M.S. Historic Preservation candidate, 2010. Thesis advisor.

Conflict and Collaboration: Interactions between Historic Preservation and Sustainable Design in Academic, Government, and Nonprofit Rehabilitation Building Projects in the United States, 1992-2005. Gregory Tisher, M.S. Historic Preservation candidate, 2007. Thesis advisor.

Moveable Office Partitions and Cubicles: History, Preservation and Use in Preservation. Joseph Hofferle, M.S. Historic Preservation candidate, 2007. Thesis committee.

The Future Comes Home: Modernist Residential Architecture in Chittenden County, Vermont. Devin Colman, M.S. Historic Preservation, 2006. Thesis advisor.

Fire Escapes in Urban America: History and Preservation. Elizabeth André, M.S. Historic Preservation, 2006. Thesis advisor.

The Current State of Historic Structure Survey Methodology and the Incorporation of Digital Technology. Phillip Barlow, M.S. Historic Preservation, 2005. Thesis advisor.

The Soldier Monuments: Civil War Commemoration in Vermont, 1866-1924. M.A., History, 2000. Thesis committee.

The Ecology of Land Use and Transportation, M.S., Natural Resource Planning, 2000. Graduate project committee chair.

Dairying in Vermont: Farming and the Changing Face of Agriculture, 1945-1992, M.A., History, 1998. Thesis committee.

Effective Rural Development Strategies: A Framework for Optimizing Community-Business Matches, M.S., Community Development and Applied Economics, 1998. Thesis committee chair.

Preservation Strategies for Underwater Preserves. M.S., Historic Preservation, 1998. Thesis Advisor.

Moments in the Narrative Landscape of the Bishop Hill Colony 1846-1861: A Vision of Landscape as Utopia. M.A., Geography, 1998. Thesis committee chair.

Testing the Energy Performance of Historic Windows in a Cold Climate. M.S., Civil and Mechanical Engineering, 1997. Thesis committee chair.

Growth and Development Patterns in Two Small Towns. Senior Project, Environmental Studies, 1996. Project evaluator.

Change in Quintessential New England: Contemporary Transformation of Two Hill Towns in Eastern Vermont. M.A., Geography, 1994. Thesis committee chair.

Guest Lectures at UVM

"Why Preserve That? Introduction to Historic Preservation," Art History 096, TAP: Why Build That? Professor William Mierse, December 2021.

"UVM Campus History," lecture for UVM First Year Students Arts & Creativity Learning Community, Prof. Major Jackson, director, November 2019.

"Careers in Historic Preservation," History 101, History Methods, Assoc. Prof. Nicole Phelps, October 2017.

"Careers in Historic Preservation," History 101, History Methods, Assoc. Prof. Nicole Phelps, April 2017.

"Why Save That? Historic preservation as a vehicle for community and economic development," Art History 096, TAP: Why Build That? Professor William Mierse, November 2015.

"Careers in Historic Preservation," History 101, History Methods, Lecturer Charles Briggs, October 2015.

"Careers in Historic Preservation," History 101, History Methods, Lecturer Charles Briggs, April 2015.

"Careers in Historic Preservation," History 101, History Methods, Lecturer Charles Briggs, November 2014.

"Careers in Historic Preservation," History 101, History Methods, Lecturer Charles Briggs, April 2014.

"Careers in Historic Preservation," History 101, History Methods, Lecturer Charles Briggs, October 2012.

Professional Workshops and Training Courses Taught

"Reading the Architectural Language of Historic Farm Buildings," Historic Barns Webinar, Adirondack Architectural Heritage (AARCH), October 2022.

"New England Barns and Farm Buildings," National Barn Alliance. On-line lecture workshop, May 2021.

"New England Porches: History and Preservation," New Hampshire Preservation Alliance. On-line lecture workshop, April 2021.

Carriage Houses, Carriage Barns and Cottage Stables, Annual Consultant Training Workshop, Vermont Division for Historic Preservation, held at UVM Alumni House, Burlington, VT, April 2019.

Emerging Technologies for Architectural Conservation Assessments & Research. Annual Consultant Training Workshop, Vermont Division for Historic Preservation, held at UVM Alumni House, Burlington, VT, April 2018.

American Building Design & Technology Workshop. The Preservation Institute, Windsor, VT. Two-day professional training course held at Vermont Technical College, Williston, VT, April 2017.

Porches: Assessing Historic Context and Integrity. Annual Consultant Training Workshop, Vermont Division for Historic Preservation, held at UVM Davis Center, Burlington, VT, April 2017.

The Preservation of In-town Carriage Barns, invited site tour presentation, 52 Barns in 52 Weeks Campaign, New Hampshire Preservation Alliance. Manchester, New Hampshire. February 2017.

In Praise of Older Buildings, workshop on heritage architecture in the Eastern Townships and Vermont, Ogden Heritage Committee, Ogden, Quebec. "Dating Historic Buildings and Features from Physical Evidence" presentation and site tour. June 2016.

Architectural Building Design and Technology workshop. The Preservation Institute, Windsor, VT. Held at Cornish, NH and Windsor, VT. July 2009.

Vermont Barn History. Vermont Barn Census Workshop. Vermont Division for Historic Preservation. Held at Grafton, VT. July 2009.

Vermont Barn History and Barn Building Technology. Vermont Barn Census Workshop. Vermont Division for Historic Preservation. Held at Cornwall, VT. September 2008.

Vermont Barn History. Vermont Barn Census Workshop. Vermont Division for Historic Preservation. Held at Tunbridge, VT. June 2008.

Barns and Farm Buildings: A Brief History of their Construction and Functions. Best Practices for the Care and Repair of Barns. The Preservation Institute, Windsor, VT. July 2002.

Architectural Building Design and Technology. The Preservation Institute, Windsor, VT. Held at Norwich University, Northfield, VT. June 2001.

Paint Analysis. Paints: Historic and Contemporary Materials and Practice Workshop. The Preservation Institute. Held on site at Enfield Shaker Village, Enfield, NH. June 1999.

Architectural History and Technology, Preservation Philosophy for People Who Maintain Old Buildings Workshop, The Preservation Institute, Windsor, VT. October 1998.

Lead Paint Hazard Mitigation in Historic Buildings. Slide lecture for ATC Assoc., Inc. training course held at St. Michael's College, Colchester, VT. September 1998.

American Building Design and Technology. The Preservation Institute. Held on site at New Orleans, Louisiana. April 1997.

Historic Barns. Barn Preservation Workshop, National Park Service, Yosemite National Park, California. September 1996.

Historic Paints and Finishes Workshop. The Preservation Institute. Held on site at Vermont College, Montpelier, VT. May 1996.

Architectural History and Technology. Preservation Philosophy for People Who Maintain Old Buildings Workshop, National Park Service and the Preservation Institute for the Building Crafts, Windsor, VT. April 22, 1994.

Strategies for Lead Paint Abatement in Historic Buildings. EPA Model Lead Supervisor/Contractor Training Course, Essex, VT., CON-TEST Training & Educational Service of East Longmeadow, MA, March & April 1994, September 1993.

Lead Paint Hazard Abatement Strategies for Historic Buildings. Vermont Housing Conservation Board, workshop, Montpelier, VT. October 1993.

Historic Paints: Analysis, Conservation, Lead Abatement and Modern Paint Systems. The Preservation Institute and the Society for the Preservation of New England Antiquities. Held on site at Canterbury Shaker Village, Canterbury, NH. May 1993.

Visual Approaches to Town Design: Putting Pictures into Policies. Environmental Institute at Wolfe's Neck, University of Southern Maine, Freeport, Me. October 1991.

Developing Duckbury. The Vermont Design Institute, Grafton, VT. Sponsored by the Vermont Council on the Arts. March 1991.

Fixing Up the Older House: Affordable Rehabilitation Techniques. The Preservation Institute for the Building Crafts, Windsor, VT. March 1989.

Taking Pictures of Pictures Workshop. Vermont Historical Society. Held on site at the Sheldon Museum, Middlebury, VT. November 1988.

The Fine Points of Exterior Painting. The Preservation Institute for the Building Crafts. Held on site in Concord, NH, March 1986 and in Montpelier, VT. January 1986.

Scholarly, Professional and Artistic Works

Books

Porches of North America. Lebanon, NH: University Press of New England. 2012. Hardcover and e-book editions.

Field Guide to New England Barns and Farm Buildings. Hanover, NH: University Press of New England. E-book edition with new preface, 2012.

Field Guide to New England Barns and Farm Buildings. Hanover, NH: University Press of New England. 1997.

Book Chapter

"How to Build A Town Model." In *The Hidden Design in Land Use Ordinances*, edited by Paula Craighead. 60-68, Portland, Me.: University of Southern Maine, 1991.

Booklets (contracted services)

With Curtis Johnson. *Taking Care of Your Old Barn.* Montpelier, VT: Vermont Division for Historic Preservation. 1995. Published on the web at www.uvm.edu/~vhnet/hpres/publ/barnb/bbtit.html

With Pat Potter, et al. "Historic Resources." *Mad River Valley Rural Resource Protection Plan*. V. Farley, ed. Montpelier, VT: Vermont Land Trust, (1988): 19-32.

Published Articles (International scholarly/ professional publications, peer reviewed)

"The Status of Professional Career Openings in Historic Preservation in the United States," *Preservation Education & Research*, vol. 2 (2009): 73.

"A Primer on Conservation Assessments and Emergency Stabilization for Historic Farm Buildings." *Association for Preservation Technology Bulletin* 25, no. 3-4 (1994): 64-69.

Published Articles (Scholarly/ professional publications)

"Why are barns painted red?" *The Conversation,* Waltham, MA. (22 November 2021). theconversation.com/why-are-barns-painted-red-169065

"Vermont's Changing Rural Landscape: Paradise Lost?" *Vermont History*, Montpelier, VT. (Summer 2002).

Book Reviews (National scholarly publications)

Book review of *Historic Preservation for Professionals b*y Virginia O. Benson and Richard Klein. Submitted by invitation to *Louisiana History,* 51, no. 4. (Fall 2010): 496-498.

Book review of *Barn Building: The Golden Age of Barn Construction* by Jon Radojkovic. By invitation for *Vermont History.* 76, no. 2 (2008): 191-192.

Boo*k* review of *Where We Lived: Discovering the Places We Once Called Home* by Jack Larkin. By invitation for *Vermont History.* 76, no. 1 (2008): 67-169.

Book review of *Fire Safe Building Rehabilitation* by John M. Watts, Jr. and Marilyn E. Kaplan. By invitation for *Association for Preservation Technology Bulletin: The Journal of Preservation Technology* 35, no. 4 (2004): 58-59.

Book review of *Sightseeking: Clues to the Landscape History of New England* by Christopher J. Lenny. By invitation for *Vermont History.* 72, (2004): 97-99.

Book review of *Barns,* edited by Michael Vlach. By invitation for *Association for Preservation Technology Bulletin: The Journal of Preservation Technology* 34*,* no. 4 (2003): 56-57.

Book review of *Summer Cottages in the White Mountains: The Architecture of Leisure and Recreation, 1870-1930* by Bryant F. Tolles, Jr. By invitation for *Association for Preservation Technology Bulletin: The Journal of Preservation Technology* 32, no. 2-3 (2001): 75-76.

Book review of *Common Lands, Common People: The Origins of Conservation in Northern New England* by Richard W. Judd in *The New England Quarterly,* vol. 71, no. 2 (June 1998): 315-318.

Book Forewords (Local and regional publications, by invitation)

Foreword for *Vanish: Disappearing Icons of a Rural America* by Jim Westphalen. Published by Jim Westphalen, Shelburne, VT. 2017.

Articles (Local and regional publications, by invitation)

Montgomery Center Community Baptist Church (1866), Montgomery Center, VT. Architectural Conservation Report. Partially funded a grant by the Fund for Vermont's Third Century. 1989.

Warren Village Historic District Nomination, Warren, VT. Client: Mad River Planning District, Waitsfield, VT. Partially funded by a grant from the U.S. Department of the Interior through the Vermont Division for Historic Preservation. 84 contributing buildings and sites. Mark Wolf, research assistant. Summer 1989.

Mad River Valley Multiple Property Nomination. Warren, Waitsfield, Fayston, VT. Client: Mad River Planning District, Waitsfield, VT. Partially funded by a grant from the U.S. Department of the Interior through the Vermont Division for Historic Preservation. Developed historic contexts for Villages and Mill Buildings in the Mad River Valley. With Mark Wolf, research assistant. 1989.

Jericho Village Historic District Nomination, Jericho, VT. Client: Jericho Historical Society, Jericho, VT. Partially funded by a grant from the U.S. Department of the Interior through the Vermont Division for Historic Preservation. 88 contributing buildings and sites. Suzanne Jamele, research assistant. Summer 1989.

Barre Granite Project, Co-director with Prof. C. Liebs. P. Marshall, project consultant. Administered research project examining Barre, VT.'s historic granite industry and evaluated its resources and potential. Grant from Laurence Rockefeller. 1987-1989.

Flynn Theatre (1930), Burlington, VT. Research assistance. Spring 1989.

Grand Isle School House (1816), Historic Structures Report. Client: Grand Isle Historical Society, Grand Isle, VT., Documented history and condition of a significant log-walled school house with recommendations on conservation treatments. Spring 1989.

East State Street Amendment, Montpelier Historic District National Register Nomination, Montpelier, VT. Partially funded by the U. S. Department of the Interior through the Vermont Division for Historic Preservation. Extension of the Montpelier Historic District to include a neighborhood of 18 contributing buildings along East State Street. Fall 1988.

40 Main St. (c. 1890), Milton, VT., finishes analysis and color design report. Documented historic color design with recommendations on appropriate restoration techniques. December 1988.

Old Mill Historic Structures Report, University of Vermont Architectural & Engineering Services. 82-page preservation planning report reviews the history, architectural significance, and condition of the Old Mill building (1824-6/ 1882) to assist planning for the building's renovation. MaryJo Llewellyn, research assistant. Summer 1988.

Langdon-Cole House (1833), Castleton, VT., technical assistance. Exterior condition survey and diagnostics of roofing and moisture problems which threaten the front facade of this important Thomas Dake-designed house. August 1988.

Rokeby Museum, Ferrisburgh, VT., preservation planning technical assistance in coordination with Main House engineering study. July 1988.

Mountain View Stock Farm (Tylord Farm), Benson, VT. National Register Nomination for early 20th century farm with 11 contributing buildings and structures. 1988-1989.

Winooski Falls Mill District, Burlington, VT. National Register amendment application to expand a historic district, adding 8 contributing historic properties. 1988.

Mad River Valley Regional Planning District, Rural Resource Preservation Planning Project, (partially funded by a grant from the U. S. Department of the Interior through the Vermont Division for Historic Preservation and by the Preservation Trust of Vermont). Subcontractor to the Vermont Land Trust, inventoried historic resources in the towns of Waitsfield, Warren & Fayston, VT. Co-authored *Mad River Valley Rural Resource Protection Plan.* Spring 1988.

Private farmhouse (c. 1845), Farnsworth Rd., Colchester, VT. technical assistance. Condition survey, diagnostics, and preservation planning assistance for a vernacular brick farmhouse undergoing restoration. May 1988.

Doyle's Blacksmith Shop (c. 1895), 162 St. Paul St., Burlington, VT. National Park Service Part 1 & Part 2 rehabilitation certification application for Smith, Batchelder & Rugg, Inc., Burlington, VT. 1987-1989.

Brook Farm (1896 and earlier), Twenty Mile Stream Road, Cavendish, VT. Project planning and technical assistance to help preserve and rehabilitate the 12 contributing buildings of this significant turn-of-the-century gentleman's farm, through National Park Service Part 1 and Part 2 rehabilitation certification applications. October 1986-1990.

Ira Allen Chapel (1925), University of Vermont Physical Plant, technical assistance and review of paint specifications for exterior and interior painting. May-June 1988.

Fort Ethan Allen Officer's Row (1894/1904), Dalton Drive Colchester and Essex, VT. Contracted by the University of Vermont, Administrative and Facilities Services to assist the Colchester Community Development Corporation and Wiemann-Lamphere Architects with technical preservation assistance and to review rehabilitation specifications for 21 historic buildings to encourage compliance with preservation standards. March-May 1988.

371 Pearl St.(c. 1895), Burlington, VT. Finishes analysis and paint design recommendations for a prominent Queen Anne style house. April 1988.

Taylor Park Fountain (1887), City of St. Albans, St. Albans, VT. Provided technical assistance to restore this large fountain, with a finishes analysis to determine the original antiqued bronze paint finish. Developed restoration specifications for the foundry, and applied the final finishes. October 1987-May 1988.

Private residence (c. 1840), Colchester Ave., Burlington, VT. Technical assistance and review of interior rehabilitation plans. March 1988.

Private residence (c. 1830), Main Street, Cambridge, VT. Dating house and barn and provided technical assistance on proposed preservation projects. March 1988.

Rokeby Museum, Ferrisburgh, VT., Architectural Conservation Report (partially funded by a grant from the Preservation Trust of Vermont) Reviewed and documented the condition of the main house (c. 1785/ 1816/ 1893) and the outbuildings. Summarized the findings in a 70-page report which prioritizes preservation projects. Reviewed contractors' proposals and provided technical and grant preparation assistance. June 1987-February 1988.

Greatwood Farms Garden House (1918), Goddard College, Plainfield, VT., Architectural Conservation Report (partially funded by a grant to Goddard College from the Preservation Trust of Vermont).

Reviewed and documented the history and condition of this Arthur Shurcliff-designed garden house, offering recommendations for its conservation to assist the college with their preservation planning and fund-raising efforts. January 1988.

C. Keith, Norwich, VT., technical assistance. Microchemical analysis of house paint. January 1988.

Springfield Town Hall (1797/1851), Town of Springfield, NH, Architectural Conservation Report. Reviewed and documented the condition of this town hall and church, offering technical assistance and recommendations on its conservation to assist fund-raising and the selection of contractors. November 1987.

Duncan's Blacksmith Shop (c. 1841), 497 Colchester Avenue, Burlington, VT., JSA Construction Company, Burlington, VT., technical assistance. Analyzed exterior finishes and developed recommendations for refinishing and historic color designs. Reid Larson, Research Assistant. October-December 1987.

Gamaliel Painter House (1803), Court St., Middlebury, VT., Mill Bridge Construction Co., Middlebury, VT. and Middlebury College, technical assistance. Analyzed finishes on floors and offered recommendations for preservation treatments. November 1987.

Hagar Hardware Building (1900), 164 St. Paul St., Burlington, VT., Investors Partnership of Vermont, Inc., Burlington, VT. National Park Service Historic Preservation Certification application. 1987-1989.

Redstone Historic District, National Register Nomination, University of Vermont, Burlington, VT. National Register district with 7 contributing historic buildings and structures. Reid Larson, Ann Cousins, research assistants. 1986-1987.

Private residence (c. 1790), Jericho Center, VT., technical assistance. Analyzed condition of c.1790 wall stenciling and offered recommendations on conservation. Sept. 1987.

Private residence (converted railroad coach) (c. 1890), Crown Point, N.Y. Technical assistance. Reviewed condition and offered recommendations for conservation. September 1987.

Gamaliel Painter House (1803), Court St., Middlebury, VT., client: Middlebury College, Middlebury, VT. Research report and technical assistance. Uncovered significant Federal period wall stenciling. Prepared report, “Federal Period Stenciling in the Gamaliel Painter House,” which documents the designs through full-scale tracings and photographs. Offered technical assistance and specifications for the stabilization and consolidation of the stenciling. March-June 1987.

Gamaliel Painter House (1803), Court St., Middlebury, VT., client: Middlebury College, Middlebury, VT., Finishes Analysis. Researched and documented the chromochronologies of over 125 interior and exterior sample locations before renovation through microscopic analysis. Information was used to date features, guide finishes restorations, and to serve as an archival record of the historic finishes. December 1986-May 1987.

Private residence (c. 1800/1850), East Poultney, VT., site visit. Technical assistance and materials dating to guide planning for rehabilitation. May 1987.

Private residence (c. 1935.), Summit St., Burlington, VT., technical assistance. Site visit with recommendations on conservation of brick walk and steps. May 1987.

First Unitarian Church (1816), Pearl St., Burlington, VT., Architectural Conservation Report. Reviewed the history and condition of the church and offered recommendations on conservation treatments. Countered proposals to demolish the 1868 rear addition and the adjacent Sexton's House (1878). May 1987.

Private residence (c. 1885), Lincoln, VT., technical assistance. Diagnosed causes of deterioration. Developed specifications to restore 1880's false-grained interior woodwork. February 1987.

Octagonal Barn (1907), Missalette Farm, Whitney Hill Road, Tunbridge, VT., Architectural Conservation Report and technical assistance, prepared with grant assistance from the Preservation

Trust of Vermont. Reviewed condition of octagonal dairy barn and offered recommendations for stabilization and sympathetic conversion to a horse barn. January 1987.

Private residence (c. 1840), Fairfax, VT., architectural history research and materials dating. October 1986.

Dorset Public Library (c. 1800), Dorset, VT., site visit. Diagnosed paint peeling problems. Recommendations for repairs and refinishing to assist grant application. September 1986.

Hotel Vermont (1911)/ Vermont House, 131 Main St., Burlington, VT., Investors Partnership of Vermont, Inc., Burlington, VT., Part 2 National Park Service Certification Amendments. Technical assistance on masonry treatments and performed a finishes analysis and paint scheme recommendation for the lobby ceiling. July-September 1986.

Winooski Falls Historic District, Burlington, VT., S. Martin, Ltd., Part 1 National Park Service Certification. Historical research and project planning for adding 7 sites to an existing district. 1986.

Three Mountain Inn (1826), Jamaica, VT., Architectural History Report. Historical research. August 1986.

Bates Farm (c. 1790/1830/1883), Richmond, VT. Technical assistance. Reviewed the condition of this farmhouse and its significant Italianate interior, offering recommendations on conservation treatments and preservation planning. August 1986.

Kent Tavern Museum, Vermont Historical Society, Calais, VT. Supervised summer intern project (National Trust/Yankee Intern Program). August 1986.

Private residence (c. 1900), 91 Brooks Avenue, Burlington, VT. Finishes analysis. Paint layer research and color designs for exterior house painting. July 1986.

Latchis Hotel/ Theatre (1930), 2 Flat St., Brattleboro, VT. Technical assistance. Reviewed condition of exterior masonry, offered recommendations for its conservation and cleaning, as well as general preservation planning and grant-writing assistance. June 1986.

Hildene, Manchester, VT., Friends of Hildene, Inc., (with grant assistance from the New York Community Trust), Architectural Conservation Report. Reviewed the condition of three historic structures and offered conservation recommendations to assist with preservation planning and fund-raising activities. May-August 1986.

Grace Church (1878), Sheldon, VT. Architectural Conservation Report. Reviewed of condition of this threatened Gothic Revival chapel and offered recommendations for a phased stabilization. Partially funded by a grant from the Preservation Trust of Vermont. June 1986.

Gilbert Hart Library (1894), Wallingford, VT., Architectural Conservation Report. A review of exterior masonry deterioration uncovered serious roofing deficiencies. Report assisted the library with obtaining a preservation grant. June 1986.

Private residence (c. 1830), Essex, N.Y., building condition assessment. June 1986.

East O' Lake Estate (c.1832/1890), S. Burlington, VT., C. DesLauriers, Burlington, VT. Researched the architectural history of this much-altered building. May 1986.

University of Vermont, “The Green, 1791-1986.” Prepared exhibit for Billings Student Center Dedication. February-May 1986.

Private residence (c. 1984), Underhill, VT., technical assistance. Diagnosed moisture problems from an indoor swimming pool. February 1986.

Private residence (c. 1840), Center Sandwich, NH. Feasibility study for bed & breakfast conversion of historic house. January 1986.

Charlotte Town Hall, Charlotte Historical Society, Charlotte, VT. Paint layer research and interior color design. January 1986.

Vermont Agricultural Experiment Station, Morrill Hall, University of Vermont, Burlington, VT. Architectural photography of UVM buildings to illustrate newsletter article. January 1986.

Barre Universalist Church (1876), Barre, VT. Architectural Conservation Report. October 1985.
Town of Washington, NH, Washington Town Hall (c.1787) Restoration Project, paint deterioration diagnosis, project planning. May 1985.
Scanic Designs, Charlotte, VT School House (c. 1790) Rehabilitation Project, masonry deterioration, technical assistance. April 1985.

University Service

University of Vermont Consulting Professional Projects

Wadhams House / 178 South Prospect Street, exterior paint finishes historical research and technical assistance. University of Vermont Physical Plant. December 2021.
Perkins Hall historic window finishes technical assistance. University of Vermont Physical Plant. September - October 2020.
