CAMPAIGN IDEAS

- 01 Transparency in SGA Finances**
 The Student Body has questions as to how the SGA Finance Committee Operate and we need answers!
- 02 One Credit Class for Clubsigners**
 Clubsigners are the heart of clubs here on campus and put a lot of work into their roles. I plan on starting a class for clubsigners to get credit for their work!
- 03 Clear Communication**
 Students have questions as to what the SGA does, what we do, and how we can help students! It is essential we are communicating with the student body!
