## Statewide Meetings to Learn about FSA and NRCS Programs

### [Registration Link](#)

Mark your calendar for the in-person event nearest you in March or early April. These sessions will help farmers learn about Farm Service Agency (FSA) and Natural Resources Conservation Service (NRCS) programs. Come to hear from a farmer and their NRCS Conservation Planner, FSA staff, and get support on-the-spot in filling out necessary paperwork to be eligible for funding. Registration details are coming soon.

These events are free to attend but registration is required. Lunch will be provided.
