Pre-Award Services Agreement	• **PI agrees to internal deadlines set by Pre-Award Administrators** at time of proposal engagement to ensure full suite of services. The services listed above, within each week prior to deadline, will be provided by Pre-Award Administrators. • **Regardless of when SPA Pre-Award is notified of a proposal, the highest level of services will be provided.** If notification is during Levels 1-3, if time permits, additional services will be provided. In these cases, PIs will be informed of their pre-award responsibilities at time of proposal initiation.
