

4-H Teen Time

Designing Your Future

Join us for this fun and engaging series as you shape your future. Each session will meet from 12 noon - 1 pm.

February 3: Identifying Your Career Interests

Discover how your interests relate to clusters of nearly 900 occupations.

February 10: Showcasing Essential Skills

Learn which skills are critical to success after high school, how to highlight the skills you already have and how to build new ones.

February 17: Navigating Your Own Career Path

Connect your interests and skills with promising careers.

You can register for one, two or all three sessions!

Register at www.uvm.edu/extension/youth/announcements

Open to all youth in grades 7-12

Our guest presenter, Kathi Terami, is the Executive Director of Careers CLiC. Her organization runs several programs that build career awareness for elementary students, provide career exploration activities for middle school students and offer career preparation opportunities for high school students.

To request a disability-related accommodation to participate in this program, please contact Lauren Traister at 1-800-260-5603 by January 27, 2021 so that we may assist you.
