

# Beans for Lunch Webinar Series

**Fridays, June 21<sup>st</sup> and July 19<sup>th</sup> 2024, 12:00 p.m. to 1:00 p.m.**

*Join Cornell University and University of Vermont for a two-part summer webinar series to address all your in-season dry bean challenges with fellow farmers, service providers and Extension.*

⇒ **Friday, June 21st: 12:00-1:00 p.m.**

## Managing dry bean insect pests in the field

Learn from **Clark Moore, CCA of Western NY Crop Management Association** about common dry bean pests to look out for, scouting techniques, and management options.

⇒ **Friday July 19th: 12:00-1:00 p.m.**

## Managing dry bean diseases in the field

Learn from **Dr. Sarah Pethybridge of Cornell AgriTech** about common dry bean diseases to look out for, how to distinguish them from each other, and your options for management.

**Bring your questions! Each speaker will share a brief presentation and then there will be time for Q&A from attendees.**
