CAT CHAT

CatChat Call For Presenters
 Do you have a hobby or interest outside of work that might interest other UVMers? Be part of our new bi-annual CatChat, where UVM staff share 10-minute tales of passions that have enriched their lives.

At our inaugural CatChat in March, we heard from a hot air balloon pilot, an indigenous flute player, and a mother who shared life lessons from her neurodivergent teenager, all staff right here at UVM.

Given the inaugural success and interest, we'll have two CatChat's this coming FY, 9/19/24 and 3/13/25. [Click here](#) for more information and submit your interest to present.

VTIFF Discount
[Green Border, 7/11](#). In the treacherous and swampy forests that make up the so-called "green border" between Belarus and Poland, refugees from the Middle East and Africa are lured by government propaganda promising easy passage to the European Union. Unable to cross in Europe and unable to turn back, they find themselves trapped in a rapidly escalating geopolitical stand-off. An unflinching depiction of the migrant crisis captured in stark black and white, this riveting film explores the intractable issue from multiple perspectives: a Syrian family fleeing ISIS caught between cruel border guards in both countries; young guards instructed to brutalize and reject the migrants; and activists who aid the refugees and great personal risk.

The promo code for the discount for this film is **UVM_2024**. To redeem the code, select the film, click buy/get tickets, and before adding a ticket to your cart, click **"Know a promotion code?"**. After it has been entered, you will see the discounted ticket as an option, add to your cart and proceed to checkout.
