UVM Foundation and Sponsored Project Administration - Points of Intersection

The UVM Foundation and Sponsored Projects Administration (SPA) are hosting a workshop for UVM Faculty interested in securing extramural funding.

As federal funding becomes more competitive, faculty are looking to expand the funding landscape for their scholarly and creative work.   The UVM Sponsored Project Administration (SPA) and the UVM Foundation's Office of Corporate and Foundation Relations have been working together to provide support and assistance in identifying philanthropic foundation and corporate partners that might be interested in funding UVM faculty and students. We are also using this as an opportunity to develop strong relationships with foundations and corporations.

You are invited to a workshop that provides information about what resources we provide, and how we work together to develop and submit proposals to philanthropic foundations and corporations.   We will share what we have been doing to collaborate successfully and improve our service to the campus community.

Please bring your questions and comments and we hope you can join us!

Information about the workshop:

Date: Thursday, Oct. 20th
Time: 1:30pm – 2:30pm
Location: Billings Library Room 165
PeopleSoft Course Code: POL013
