

Prism Center Newsletter

The Prism Center Newsletter is designed to share announcements and resources, as well as cultivate belonging and joy for the queer and trans community here at UVM, and in the Vermont community. Sign up to receive our, and other UVM DDEI, newsletters [on this form](#).

We send out a newsletter through Mailchimp on the Sunday following the 1st and 15th of every month of the academic year. Materials are due the Wednesday immediately before the Sunday send. *There are no newsletter sends during academic breaks and administrative closures.*

We do not send out external and/or unvetted research opportunities or professional job opportunities. Internships are fine.

If your event meets the above criteria, please follow the submission guidelines and timelines below.

Required Information

Email all below information to prism@uvm.edu.

- Desired images in .jpeg, .jpg, or .png format
- Logistics of opportunity (date(s), time, location)
- Relevant links
- Any writing about how the opportunity should be pitched to readers
- A contact person and/or email address for questions or requests for accessibility accommodations
