United States Society for Ecological Economics

New York City Conference June 23-27, 2007

For More Information Visit Us Online at
www.ussee.org/conference.htm

The 4th biennial conference of the United States Society for Ecological Economics (USSEE) will take place in downtown New York City on the campus of Pace University. Partnering with Pace's Institute for Environmental & Regional Studies as a co-sponsor, the conference will offer a variety of themes and special symposia featuring our collective interests as well as regional issues and amenities.
